# Safety Instruction Guide for UNCLE MIKE'S SLING SWIVEL STUD KIT

## Introduction

Thank you for choosing the UNCLE MIKE'S SLING SWIVEL STUD KIT. This product is designed to provide you with the necessary components for attaching sling swivels to your firearms securely. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure that all components are used as intended and according to the instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before attaching or adjusting any sling swivels.
- Use only the components included in the kit for installation.
- Do not modify or alter any parts of the sling swivel studs.
- Avoid using the product in extreme weather conditions that may affect performance.
- Follow all local laws and regulations regarding firearm accessories.
- Use protective eyewear when installing or adjusting hardware.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all components from the kit: 1032 dometop sling studs, wood screw studs, hex nuts, dome top nuts, and plastic spacers.
- Ensure you have the necessary tools, such as a screwdriver and wrench.

### 2. Installation of Sling Swivel Studs

- Choose the desired location on your firearm for the sling swivel stud installation.
- If using wood screw studs:
  - Predrill a hole if necessary to avoid splitting the wood.
  - Insert the wood screw stud into the predrilled hole and tighten securely.
- If using dometop sling studs:
  - Insert the stud through the designated hole and secure it using the hex nut.
  - Ensure the stud is firmly attached and does not wobble.

### 3. Attaching the Sling

- Once the swivel studs are installed, attach the sling to the swivel.
- Ensure that the sling is properly secured and can support the weight of the firearm.

### 4. Regular Maintenance

- Periodically check the tightness of all fittings and connections.
- Replace any worn or damaged components immediately.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of components in household waste; check for recycling options.
- Ensure that any unusable parts are kept out of reach of children.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided on the packaging or product documentation.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your UNCLE MIKE'S SLING SWIVEL STUD KIT responsibly.
