SLING SWIVEL STUD KIT Safety Instructions

Introduction

Thank you for choosing the SLING SWIVEL STUD KIT. This product is designed to provide you with essential swivel stud parts for your firearm needs. It is important to follow safety guidelines to ensure safe use and prevent accidents. This guide provides comprehensive safety instructions in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand these safety instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the recommended screws and parts included in the kit.
- Ensure that all components are securely fastened before use.
- Avoid using excessive force when installing or adjusting the swivel studs.
- Do not modify the product in any way that could compromise its integrity or safety.
- Always ensure that the firearm is unloaded before installing or adjusting the sling swivel studs.
- Wear appropriate safety gear, such as eye protection, while handling tools and the product.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a screwdriver compatible with the wood screws and any additional tools specified in the product manual.
- Ensure you are working in a welllit area free from distractions.

2. Installation:

- Select the appropriate swivel stud based on your requirements (1032 dometop sling studs, wood screw studs).
- For wood screw studs:
 - Position the wood screw stud at the desired location on your firearm.
 - Use the screwdriver to securely fasten the wood screw stud into place.
- For dometop sling studs:
 - Align the stud with the predrilled hole.
 - Insert the stud and tighten it with the corresponding hex nut.
- Ensure all parts are securely fastened and check for stability.

3. Usage:

- Attach your sling to the installed swivel studs as per the sling's instructions.
- Regularly check the tightness of the swivel studs during use to ensure they remain secure.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the SLING SWIVEL STUD KIT, please refer to the manufacturer's website or customer service resources for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your SLING SWIVEL STUD KIT. Thank you for your attention to safety.
