Safety Instruction Guide for UNCLE MIKE'S SLING SWIVEL STUD KIT

Introduction

Thank you for choosing the UNCLE MIKE'S SLING SWIVEL STUD KIT. This product is designed to provide you with essential swivel stud parts for your firearms. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- The product is intended for use with firearms only. Ensure you are familiar with your firearm's operating instructions before use.
- Always handle firearms safely and responsibly. Follow all safety protocols and guidelines provided by firearm manufacturers.
- Keep the product out of reach of children and unauthorized users to prevent accidents.
- Inspect all components for damage or wear before installation. Do not use damaged parts.
- Report any unsafe conditions or incidents to the appropriate authorities immediately.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure you are using the correct size and type of swivel stud for your firearm.
- Avoid overtightening screws and nuts, as this may cause damage to the firearm or the swivel parts.
- Use protective eyewear when installing or handling the swivel studs to prevent injury from flying debris.
- Do not modify the product in any way. Alterations can compromise safety and performance.
- If you are unsure about installation or usage, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver and any other tools specified in your firearm's manual.
- Ensure you are working in a clean, dry area free from distractions.

2. Installation of Swivel Studs

- Select the appropriate swivel stud based on your firearm's specifications.
- For wood screw studs:
 - Predrill a hole to the appropriate size if necessary.
 - Insert the wood screw stud into the predrilled hole and tighten securely, but do not overtighten.
- For dometop sling studs:
 - Ensure the stud is aligned correctly before tightening.
 - Use the hex nut to secure the stud in place; tighten without overtightening.

3. Installation of Spacers

- Use the white or black plastic spacers as needed to ensure proper fit and clearance.
- Place the spacer between the swivel stud and the firearm as required.

4. Final Checks

- Inspect the installation to ensure all components are securely fastened.
- Test the swivel functionality before use to ensure proper operation.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling options or hazardous waste disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact information included in the packaging or on their official website.
