RIFLE 3/8" LS APERTURE PAK Safety Instructions

Introduction

Thank you for choosing the RIFLE 3/8" LS APERTURE PAK. This product is designed to enhance your shooting experience by providing a reliable sighting solution. Please read and follow these safety instructions carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model, as this aperture is designed to fit Williams WGRS ONLY.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Regularly inspect your equipment for any signs of wear or damage before use.
- Store the product in a dry and secure place when not in use.
- Keep this product and all shooting accessories out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Use the product only as intended; do not modify or alter the aperture.
- Ensure that the longer shank is correctly aligned to allow for proper eye relief.
- Do not use the product if you notice any defects or damage.
- Always wear appropriate eye protection when using firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before beginning installation.
- Remove the existing aperture from your Williams WGRS sight.
- Align the longer shank of the new aperture with the sight and secure it in place.
- Confirm that the aperture is firmly attached and does not wobble.

2. Usage:

- Position your eye at the appropriate distance from the sight to achieve optimal eye relief.
- Adjust your shooting stance as necessary to maintain a clear sight picture through the aperture.
- Practice regularly to become familiar with the sighting system and improve accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling or disposal facility.

Contact Information for Further Support

For any safety inquiries or assistance regarding the RIFLE 3/8" LS APERTURE PAK, please refer to the manufacturer's contact details found on the packaging or user manual.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your RIFLE 3/8" LS

APERTURE PAK. Always prioritize safety and consult with professionals if you have any questions or concerns.
Thank you for choosing our product, and happy shooting!
