Safety Instruction Guide for .020 STEEL SHIM BROWNELLS

Introduction

Thank you for choosing the .020 STEEL SHIM BROWNELLS. This product is designed to assist with precision tasks, specifically when used with the #2 Swiss Pattern Pillar File. It is important to follow the safety guidelines and instructions provided in this guide to ensure safe and effective use.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean and welllit to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the product.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recalls or safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the shim is properly aligned before trimming hammer hooks.
- Use the shim only for its intended purpose as described in this guide.
- Do not force the shim into place; it should fit snugly without excessive pressure.
- Avoid using the shim in wet or damp conditions to prevent slippage.
- Do not modify the shim in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools, including the #2 Swiss Pattern Pillar File.
- Ensure that your workspace is free from clutter and distractions.

2. Installation:

- Position the .020 STEEL SHIM against the surface where you will be trimming the hammer hooks.
- Check that the shim is level and properly aligned with the hammer hooks.

3. Usage:

- With the shim in place, use the #2 Swiss Pattern Pillar File to trim the hammer hooks to the desired height.
- Apply gentle, even pressure while filing to achieve a smooth finish.
- Regularly check the alignment of the shim during use to ensure accuracy.

4. PostUsage:

- Remove the shim carefully after completing the trimming process.
- Clean the shim and store it in a safe place for future use.

Disposal Instructions

- Dispose of the .020 STEEL SHIM in accordance with local regulations.
- Do not dispose of the shim in regular household waste.
- If the product is damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the .020 STEEL SHIM BROWNELLS, please reach out to the designated EU contact point for safety inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your .020 STEEL SHIM BROWNELLS. Thank you for your attention to these important guidelines.
