

# SHOTGUN SIGHT INSTALLERS - BROWNELLS SHOTGUN SIGHT INSTALLER ALUMINUM 3-PACK SET

[Gunsmith Tools](#) > [Shotgun Tools](#) > [Shotgun Sight Tools](#)

## No-Mar Installation With A Minimum Of Breakage

The "clean" installation of aluminum or brass shotgun sights has always been one of the bug-a-boos of the gunsmithing profession. The Shotgun Sight Installer exactly fills the need for a truly precision instrument with which to install a shotgun bead without a mark - satisfying even the most particular gun man. The holding jaws are internally ground and lapped to give maximum holding surface on the globe of the sight without marring or damaging the metal. Priced at a level any gunsmith can afford, yet will give a lifetime of service.

# SHOTGUN SIGHT INSTALLER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Brownells Shotgun Sight Installer Aluminum 3Pack Set. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose, which is to install shotgun sights.
- Be aware of your surroundings and ensure a safe working environment when using the product.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate safety gear, including safety glasses, to protect your eyes from potential debris.
- **Handling:** Handle the Shotgun Sight Installer with care. The holding jaws are designed to grip securely; ensure that your fingers are clear of the jaws when in use.
- **Installation Surface:** Use the installer on a stable, flat surface to prevent slips or accidents during installation.
- **Sighting Accuracy:** Ensure that the shotgun is unloaded and pointed in a safe direction when installing sights to prevent accidental discharge.
- **Avoiding Damage:** Do not apply excessive force when using the installer, as this may damage the sight or the shotgun.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the shotgun is unloaded.
- Select the appropriate size of the Shotgun Sight Installer (Lg. .175", Med. .130", or Sm. .067") based on the sight you are installing.

### 2. Installation Steps:

- Position the shotgun in a secure and stable manner.
- Place the sight in the designated area on the shotgun.
- Use the selected Shotgun Sight Installer to gently press the sight into position. Ensure that the holding jaws are aligned correctly with the sight to avoid any marring or damage.
- Apply even pressure until the sight is securely installed.
- Carefully remove the installer from the sight, ensuring that no additional force is applied that could displace the sight.

### 3. PostInstallation:

- Inspect the installed sight to ensure it is secure and properly aligned.
- Clean the area to remove any debris or tools used during installation.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the Shotgun Sight Installer, please contact the manufacturer directly through their official channels.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using the Brownells Shotgun Sight Installer Aluminum 3Pack Set. Always prioritize safety and adhere to the guidelines provided to prevent accidents and ensure proper usage. Thank you for your attention to these important safety measures.
