

# SHOTGUN SIGHT INSTALLERS - SHOTGUN SIGHT INSTALLER SMALL ALUMINUM

[Gunsmith Tools & Supplies](#) > [Shotgun Tools](#) > [Shotgun Sight Tools](#)

## No-Mar Installation With A Minimum Of Breakage

The "clean" installation of aluminum or brass shotgun sights has always been one of the bug-a-boos of the gunsmithing profession. The Shotgun Sight Installer exactly fills the need for a truly precision instrument with which to install a shotgun bead without a mark - satisfying even the most particular gun man. The holding jaws are internally ground and lapped to give maximum holding surface on the globe of the sight without marring or damaging the metal. Priced at a level any gunsmith can afford, yet will give a lifetime of service.

# Safety Instruction Guide for Shotgun Sight Installer

## Introduction

Thank you for purchasing the Shotgun Sight Installer. This product is designed to assist in the precise installation of aluminum or brass shotgun sights. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Always read the instruction manual thoroughly before using the product.
- Ensure that the Shotgun Sight Installer is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses, to protect your eyes from metal shavings or debris.
- Ensure that the workspace is clean and free from clutter to prevent accidents.
- Use the product in a wellventilated area to avoid inhaling any harmful particles.
- Do not apply excessive force when using the Shotgun Sight Installer, as this may cause damage to the product or the shotgun.
- Always follow the manufacturer's instructions for installation and usage.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials, including the Shotgun Sight Installer, the shotgun, and the sight you wish to install.
- Ensure that the shotgun is unloaded and in a safe condition before beginning the installation process.

### 2. Using the Shotgun Sight Installer

- Select the appropriate size of the Shotgun Sight Installer (Lg. .175", Med. .130", or Sm. .067") based on the size of the sight you are installing.
- Position the shotgun in a secure manner to prevent movement during installation.
- Open the holding jaws of the Shotgun Sight Installer and place it over the sight location on the shotgun.
- Gently close the jaws of the installer around the sight, ensuring a secure grip without marring the metal.
- Carefully press the sight into place using the Shotgun Sight Installer, ensuring that it is aligned correctly.

### 3. Final Checks

- After installation, check that the sight is securely in place and properly aligned.
- Clean the area to remove any metal shavings or debris.

## Disposal Instructions

- Dispose of the Shotgun Sight Installer in accordance with local regulations.
- If the product is damaged or no longer usable, ensure that it is disposed of in a way that does not pose a risk to the environment.

## Contact Information for Further Support

For any inquiries or additional support regarding the Shotgun Sight Installer, please refer to the manufacturer's website or contact your local distributor. Ensure that you have the product details available for assistance.

Thank you for choosing the Shotgun Sight Installer. Your safety is our priority.
