

# SHOTGUN SIGHT INSTALLERS - SHOTGUN SIGHT INSTALLER LARGE ALUMINUM

[Gunsmith Tools & Supplies](#) > [Shotgun Tools](#) > [Shotgun Sight Tools](#)

## No-Mar Installation With A Minimum Of Breakage

The "clean" installation of aluminum or brass shotgun sights has always been one of the bug-a-boos of the gunsmithing profession. The Shotgun Sight Installer exactly fills the need for a truly precision instrument with which to install a shotgun bead without a mark - satisfying even the most particular gun man. The holding jaws are internally ground and lapped to give maximum holding surface on the globe of the sight without marring or damaging the metal. Priced at a level any gunsmith can afford, yet will give a lifetime of service.

# Safety Instruction Guide for SHOTGUN SIGHT INSTALLER LARGE ALUMINUM

## Introduction

Thank you for choosing the SHOTGUN SIGHT INSTALLER LARGE ALUMINUM. This product is designed to assist gunsmiths in the precise installation of shotgun sights without damaging the firearm. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using this tool.
- Keep the work area clean and free of obstructions to prevent accidents.
- Store the product in a dry and secure location, out of reach of children and pets.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or product failures to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only on compatible shotgun models as specified by the manufacturer.
- Ensure that the shotgun is unloaded and pointed in a safe direction before beginning installation.
- Avoid using excessive force when tightening the holding jaws to prevent damage to the sight or the tool.
- Do not attempt to modify the product in any way, as this may compromise safety and effectiveness.
- If you are inexperienced or unsure about using this tool, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials, including the SHOTGUN SIGHT INSTALLER, the shotgun, and the sight to be installed.
- Ensure the work area is welllit and organized.

### 2. Installation Steps

- **Step 1:** Confirm that the shotgun is unloaded and safe.
- **Step 2:** Select the appropriate size of the shotgun sight installer based on the sight being used (Lg. .175", Med. .130", or Sm. .067").
- **Step 3:** Position the shotgun sight installer over the location where the sight will be installed.
- **Step 4:** Gently tighten the holding jaws to secure the sight in place. Ensure that the jaws are firmly holding the sight without excessive pressure.
- **Step 5:** Carefully install the sight into the shotgun barrel according to the sight manufacturer's instructions.
- **Step 6:** Once the sight is installed, carefully release the holding jaws and remove the shotgun sight installer.
- **Step 7:** Inspect the installation to ensure it is secure and properly aligned.

### 3. PostInstallation

- Clean the work area and properly store the SHOTGUN SIGHT INSTALLER.
- Check the installation periodically to ensure the sight remains secure.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond use, recycle any metal components where applicable.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the SHOTGUN SIGHT INSTALLER, please reach out to your local distributor or the manufacturer directly. Ensure that you have the product details on hand for reference.

By following these guidelines, you can ensure the safe and effective use of the SHOTGUN SIGHT INSTALLER. Thank you for prioritizing safety in your gunsmithing practices.
