

SHOTGUN SIGHT INSTALLERS STEEL 3-PACK SET

[Gunsmith Tools & Supplies](#) > [Shotgun Tools](#) > [Shotgun Sight Tools](#)

No-Mar Installation With A Minimum Of Breakage

The "clean" installation of aluminum or brass shotgun sights has always been one of the bug-a-boos of the gunsmithing profession. The Shotgun Sight Installer exactly fills the need for a truly precision instrument with which to install a shotgun bead without a mark - satisfying even the most particular gun man. The holding jaws are internally ground and lapped to give maximum holding surface on the globe of the sight without marring or damaging the metal. Priced at a level any gunsmith can afford, yet will give a lifetime of service.

SHOTGUN SIGHT INSTALLERS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Shotgun Sight Installers Steel 3Pack Set. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to install shotgun sights.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes during installation.
- Keep the work area clean and organized to prevent accidents.
- Store the product in a safe place away from children and unauthorized users.
- Report any unsafe product conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the Shotgun Sight Installer on damaged or defective shotgun sights.
- Ensure that the shotgun is unloaded and safe before beginning any installation work.
- Use the correct size of the Shotgun Sight Installer for the specific sight you are installing.
- Avoid applying excessive force during installation to prevent damage to the sight or firearm.
- If you are inexperienced or unsure, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the Shotgun Sight Installer set.
- Ensure the shotgun is unloaded and placed on a stable work surface.

2. Choosing the Right Size:

- Select the appropriate size of the Shotgun Sight Installer:
 - Large: .175"
 - Medium: .130"
 - Small: .067"

3. Installation Steps:

- Align the shotgun sight with the intended mounting location on the shotgun barrel.
- Place the selected size of the Shotgun Sight Installer over the sight.
- Gently squeeze the holding jaws to secure the sight in place without marring or damaging the metal.
- Once secured, carefully install the sight according to the manufacturer's instructions.

4. Final Checks:

- Ensure the sight is firmly installed and correctly aligned.
- Check for any signs of damage or misalignment before using the shotgun.

Disposal Instructions

- Dispose of the Shotgun Sight Installer responsibly, following local regulations for metal and tool disposal.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the use of the Shotgun Sight Installers, please refer to the manufacturer or retailer from whom the product was purchased. They can provide additional support and information.

By following these guidelines, you can ensure a safe and efficient installation of your shotgun sights using the Shotgun Sight Installers Steel 3Pack Set. Thank you for your attention to safety and proper usage.
