

SHOTGUN SIGHT INSTALLERS - BROWNELLS SHOTGUN SIGHT INSTALLER SMALL STEEL

[Gunsmith Tools](#) > [Shotgun Tools](#) > [Shotgun Sight Tools](#)

No-Mar Installation With A Minimum Of Breakage

The "clean" installation of aluminum or brass shotgun sights has always been one of the bug-a-boos of the gunsmithing profession. The Shotgun Sight Installer exactly fills the need for a truly precision instrument with which to install a shotgun bead without a mark - satisfying even the most particular gun man. The holding jaws are internally ground and lapped to give maximum holding surface on the globe of the sight without marring or damaging the metal. Priced at a level any gunsmith can afford, yet will give a lifetime of service.

SHOTGUN SIGHT INSTALLER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Brownells Shotgun Sight Installer. This precision tool is designed to assist in the safe and effective installation of aluminum or brass shotgun sights. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Shotgun Sight Installer is used only for its intended purpose.
- Always inspect the tool for any damage or wear before use.
- Keep the tool out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and related accessories.
- Store the tool in a dry place to prevent rust and corrosion.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the installer.
- Use the installer in a welllit area to ensure visibility and precision.
- Avoid using excessive force when installing the shotgun sight to prevent damage to the tool or firearm.
- Do not use the installer if you are under the influence of drugs or alcohol.
- Ensure that the shotgun is unloaded and pointed in a safe direction before beginning any work.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the shotgun is completely unloaded.
- Gather all necessary tools and materials, including the Shotgun Sight Installer.

2. Selecting the Correct Size:

- The Shotgun Sight Installer comes in three sizes:
 - Large: .175"
 - Medium: .130"
 - Small: .067"
- Choose the appropriate size based on the shotgun sight you are installing.

3. Using the Installer:

- Position the Shotgun Sight Installer over the bead sight location on the shotgun.
- Gently close the holding jaws around the sight, ensuring maximum contact without marring the metal.
- Apply steady pressure to install the sight into place, avoiding any sudden movements.

4. Final Checks:

- Once the sight is installed, doublecheck for secure placement.
- Inspect the sight and surrounding area for any damage or misalignment.

Disposal Instructions

- Dispose of the Shotgun Sight Installer responsibly at a designated waste facility.
- Do not dispose of the tool in regular household waste.
- Check local regulations for proper disposal methods of metal tools.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the appropriate contact point in your region. It is important to stay informed about product recalls and safety updates.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the Brownells Shotgun Sight Installer. Always prioritize safety and adhere to the guidelines provided for the best results. Thank you for your attention to these important safety measures.
