

# UNIVERSAL RIFLE ACTION WRENCH & HEAD - COMPLETE UNIVERSAL ACTION WRENCH

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Wrenches](#) > [Action Wrenches & Components](#)

The only commercially available action wrench system that surrounds and supports the receiver ring and recoil lug to distribute potentially damaging torque forces equally. The solid steel base has a unique, machined relief to clear the recoil lug on most Mauser-type bolt action rifles and, the individual, bolt-on Heads are machined to provide an exact fit around and against the receiver ring or barrel nut for each of the firearm models listed. Together, they support the receiver in a ring of steel and greatly increase the amount of surface gripping area to totally eliminate twisted bolt "ways" or damaged, ruined receivers. This is the most advanced, complete, professional-quality, Action Wrench System. With it, you can prevent expensive receiver damage on MOST popular rifle actions, including military models, plus, models for selected handguns. Flat on one side of head to fit most lever actions and some single shot receivers. Machined 45° V on back side of head can be used with shims on odd-shaped receivers when no other head will fit. Will fit Ruger® M77® and French MAS.

# Universal Rifle Action Wrench & Head Safety Instructions

## Introduction

Thank you for choosing the Universal Rifle Action Wrench & Head. This product is designed to provide safe and effective support during the maintenance and modification of various rifle actions. Please read this safety instruction guide carefully to ensure proper use and to minimize any potential risks.

## General Safety Guidelines

To ensure your safety and the safety of others while using this product, please adhere to the following guidelines:

- Always read and understand the product manual before use.
- Ensure that the work area is clean, welllit, and free from distractions.
- Use personal protective equipment (PPE), such as safety glasses and gloves, when operating the wrench.
- Keep the product out of reach of children and pets.
- Do not use the product for any purpose other than intended.
- Regularly inspect the tool for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the Universal Rifle Action Wrench & Head, please observe the following precautions:

- Ensure the firearm is unloaded and the safety is engaged before beginning any work.
- Do not apply excessive force that could damage the receiver or the wrench.
- Use the appropriate head for the specific firearm model to ensure a proper fit.
- Avoid using the wrench on firearms that have been modified or are in poor condition.
- When using shims, ensure they are securely in place and compatible with the wrench and firearm.
- Be cautious of sharp edges on the wrench and heads; handle them with care.

## Instructions for Installation and Usage

Follow these steps to properly install and use the Universal Rifle Action Wrench & Head:

### 1. Preparation

- Ensure the firearm is unloaded and placed in a secure position.
- Gather all necessary tools and safety equipment.

### 2. Selecting the Head

- Identify the correct head for your specific firearm model from the provided list.
- Inspect the head for any damage or defects before use.

### 3. Attaching the Head

- Align the head with the receiver ring or barrel nut.
- Securely attach the head to the wrench by following the manufacturer's instructions.

### 4. Using the Wrench

- Position the wrench around the receiver ring and recoil lug.
- Apply torque evenly to avoid damaging the firearm.
- Use a torque wrench if necessary to ensure proper force is applied.

## **5. Finishing Up**

- Once the work is complete, carefully detach the wrench and head from the firearm.
- Inspect the firearm to ensure it is in good condition before use.

## **Disposal Instructions**

When the Universal Rifle Action Wrench & Head has reached the end of its life, please dispose of it responsibly:

- Check local regulations for proper disposal methods of metal products.
- Recycle the wrench and heads if possible, as they are made from recyclable materials.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Universal Rifle Action Wrench & Head, please reach out to the manufacturer or retailer from whom you purchased the product. They can provide additional support and guidance.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective experience while using the Universal Rifle Action Wrench & Head.
