

# FN-FAL RIFLE ACTION WRENCH & HEAD - COMPLETE FN/FAL ACTION WRENCH

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Wrenches](#) > [Action Wrenches & Components](#)

The only commercially available action wrench system that surrounds and supports the receiver ring and recoil lug to distribute potentially damaging torque forces equally. The solid steel base has a unique, machined relief to clear the recoil lug on most Mauser-type bolt action rifles and, the individual, bolt-on Heads are machined to provide an exact fit around and against the receiver ring or barrel nut for each of the firearm models listed. Together, they support the receiver in a ring of steel and greatly increase the amount of surface gripping area to totally eliminate twisted bolt ways or damaged, ruined receivers. This is the most advanced, complete, professional-quality, Action Wrench System. With it, you can prevent expensive receiver damage on MOST popular rifle actions, including military models, plus, models for selected handguns. Two-piece head fits inch and metric pattern receivers. Provides clearance for full length cocking handle rails.

# FNFAL Rifle Action Wrench Safety Instructions

## Introduction

Thank you for choosing the FNFAL Rifle Action Wrench. This advanced tool is designed to provide safe and efficient support for your firearm during maintenance and repairs. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- Always use the FNFAL Rifle Action Wrench in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, welllit, and free of distractions.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the action wrench and its components for wear or damage before use.
- Do not modify or alter the action wrench in any way.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the wrench on a firearm.
- In case of any accidents or injuries, seek medical assistance immediately.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the action wrench.
- Confirm that the action wrench is properly secured to the firearm before applying any torque.
- Use the appropriate head for your specific firearm model to ensure a proper fit.
- Do not exceed the recommended torque specifications for your firearm to prevent damage.
- Avoid using excessive force when tightening or loosening components.
- Always support the firearm securely to prevent it from moving during use.
- If you experience any difficulty while using the action wrench, stop immediately and reassess the situation.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools and components, including the FNFAL Rifle Action Wrench and the appropriate head for your firearm model.

### 2. Attaching the Action Wrench

- Select the correct head that fits your firearm model.
- Align the head with the receiver ring or barrel nut.
- Secure the head to the action wrench using the provided bolts.

### 3. Using the Action Wrench

- Place the action wrench around the receiver ring or barrel nut, ensuring that it is seated properly.
- Apply steady, even pressure when tightening or loosening components.
- Monitor the torque applied to avoid exceeding the recommended limits.

### 4. PostUse Care

- After use, detach the action wrench and clean it if necessary.

- Store the action wrench in a safe, dry place away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the FNFal Rifle Action Wrench in accordance with local regulations.
- If the wrench is damaged beyond repair, consider recycling the metal components where possible.
- Do not dispose of the wrench in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the FNFal Rifle Action Wrench, please refer to the manufacturer's contact information provided with the product or on their official website.

Thank you for using the FNFal Rifle Action Wrench. Your safety and satisfaction are our top priorities.
