RUGER® MK I™ & MK II™ HANDGUN ACTION WRENCHES & HEADS BROWNELLS COMPLETE ACTION WRENCH FOR RUGER MARK I & MARK II

Introduction

Thank you for choosing the RUGER® MK I™ & MK II™ Handgun Action Wrenches & Heads by Brownells. This product is designed to provide safe and efficient support for the removal of the Ruger Mark I and Mark II receivers. It is important to follow all safety guidelines and instructions to ensure proper use and avoid potential hazards.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the wrench in a welllit, dry area to minimize the risk of accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the wrench.
- Ensure that the handgun is unloaded and free of ammunition before attempting any work.
- Do not apply excessive force when using the wrench, as this may lead to damage or injury.
- Avoid using the wrench on firearms that are not compatible with the RUGER® MK I™ & MK II™ models.
- Follow all local laws and regulations regarding firearm maintenance and modifications.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the work area is clean and organized.
- Gather all necessary tools and equipment before starting.

2. Using the TwoPiece Head:

- Align the twopiece head of the wrench with the receiver of the handgun.
- Ensure that the head locks securely against the bottom receiver flat.
- Check that the feed ramp is protected from damage during the process.

3. Removing the Receiver:

- Carefully apply pressure to the wrench handle to begin loosening the receiver.
- Rotate the wrench in a controlled manner, ensuring that you maintain a firm grip.
- If resistance is felt, stop and reassess the alignment of the wrench and receiver.

4. Finishing Up:

- Once the receiver is removed, inspect the wrench for any signs of wear or damage.
- Clean the wrench after use to maintain its condition and functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, ensure that it is disposed of in an environmentally friendly manner.
- Avoid discarding the product in regular household waste.

Contact Information for Further Support

For any inquiries or support regarding the RUGER® MK I™ & MK II™ Handgun Action Wrenches & Heads, please refer to the contact information provided with your product packaging or visit the manufacturer's website for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
