BLANK BLOCKS COMPLETE BLANK BLOCK ACTION WRENCH Safety Instructions

Introduction

Thank you for choosing the BLANK BLOCKS COMPLETE BLANK BLOCK ACTION WRENCH. This product is designed to assist gunsmiths in creating customized wrenches for various firearms. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling tools.
- Ensure a clean and organized workspace to prevent accidents.
- Be aware of your surroundings and ensure others are at a safe distance while using the wrench.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the interchangeable head is securely attached before use.
- Do not exceed the recommended torque specifications for the firearms you are working on.
- Avoid using excessive force, which may lead to tool failure or injury.
- Be cautious of sharp edges and moving parts while using the wrench.
- Always follow the specific firearm manufacturer's guidelines when using the wrench with their products.
- If you are unfamiliar with using tools or firearms, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparing the Wrench:

- Select the appropriate blank interchangeable head for your firearm.
- Align the head with the steel base/handle unit.
- Secure the head in place using the provided bolts, ensuring it is tightly fitted.

2. Using the Wrench:

- Position the wrench on the firearm's action or component that requires adjustment.
- Apply steady pressure and turn the wrench in the direction specified by the firearm manufacturer.
- Monitor the amount of torque applied and stop if you feel any resistance beyond normal limits.

3. PostUse Care:

- After use, clean the wrench to remove any debris or residue.
- Store the wrench in a dry, secure location away from children and unauthorized users.
- Regularly check the wrench for wear and tear, replacing any damaged parts as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and tool disposal.
- Do not dispose of the product in general household waste.
- If the product is no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For inquiries regarding safety or product information, please refer to the contact details provided by the manufacturer or your retailer.

Thank you for your attention to these safety instructions. Your safety is our priority.
