FILE STARTER SET BROWNELLS Safety Instruction Guide

Introduction

Thank you for choosing the FILE STARTER SET BROWNELLS. This comprehensive kit includes essential tools for sight installation and action refinishing. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the tools as intended and according to the instructions provided.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect all tools before use. Do not use any damaged or worn tools.
- Ensure a clean and clutterfree workspace to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the tools.
- Be aware of your surroundings and ensure that no one is in proximity to the work area while using the tools.

Specific Safety Precautions for Use

- **Needle Files:** Handle with care as the tips are sharp. Avoid applying excessive force that may cause breakage.
- **File Handles:** Ensure they are securely attached to the files before use to prevent slipping.
- **File Chalk:** Use in a wellventilated area. Avoid inhaling dust and keep away from open flames.
- **Cleaning Brush:** Use gently to avoid damaging the bristles. Do not use on sensitive surfaces.
- **Storage:** Store the files and accessories in a dry place to prevent rust and deterioration.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools from the kit: 19 files, 5 handles, file chalk, and cleaning brush.
- Ensure your workspace is clean and welllit.

2. Using the Files:

- Select the appropriate file for your task:
 - Fine needle file for delicate work.
 - Mill file for smoothing surfaces.
 - Pillar files for shaping.
- Attach the file to the handle securely.
- Use gentle, even strokes to file the surface. Avoid excessive pressure.

3. Applying File Chalk:

- Apply file chalk to the file before use to reduce friction and improve performance.
- Reapply as needed during use.

4. Cleaning Tools:

- After use, clean the files and brushes with the provided cleaning brush to remove debris.

- Store files in the provided case to protect from damage.

5. Safety Checks:

- Regularly inspect all tools for damage and replace any that are worn or broken.

Disposal Instructions

- Dispose of any damaged tools according to local regulations.
- Recycle materials where possible, such as metal files and plastic handles.
- Do not dispose of tools in regular household waste.

Contact Information for Further Support

For any safety inquiries, product questions, or to report unsafe products, please contact your local EU consumer protection authority or visit the EU Safety Gate platform for updates on recalls and safety notices.

By following these guidelines, you can ensure a safe and effective experience with your FILE STARTER SET BROWNELLS. Thank you for your attention to safety.
