

1911 BARREL ALIGNMENT GAUGE - .45 ACP 1911 BARREL ALIGN GAUGE

[Gunsmith Tools & Supplies](#) > [Handgun Tools](#) > [Barrel Tools](#) > [Barrel Fitting Tools](#)

Fast Check For Proper Lug Engagement & Firing Pin Alignment

Valuable barrel fitting aid for the gunsmith and a great used gun checker for the dealer. The rod slides down the barrel and the centered tip drops into the firing pin hole on a properly-fitted factory barrel. A little layout fluid on the breech face shows exact alignment.

1911 Barrel Alignment Gauge Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Barrel Alignment Gauge .45 ACP. This product is designed to assist gunsmiths and dealers in ensuring proper barrel fitting and alignment. Please read this safety instruction guide carefully to understand the safe use, installation, and disposal of this product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a barrel fitting aid.
- Always handle the gauge with care to avoid injury or damage.
- Keep the gauge out of reach of children and vulnerable individuals.
- Regularly inspect the gauge for any signs of wear or damage before use.
- If the gauge is damaged, do not use it and contact a qualified professional for assessment.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the gauge.
- Ensure the firearm is unloaded and the chamber is clear before using the gauge.
- Avoid using excessive force when inserting the gauge into the barrel to prevent damage.
- Use layout fluid sparingly on the breech face to avoid unnecessary mess and potential hazards.
- Do not modify or alter the gauge in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools and workspace to avoid distractions.

2. Using the Gauge:

- Insert the rod of the gauge into the barrel of the firearm.
- Allow the centered tip to drop into the firing pin hole of the barrel.
- Apply a small amount of layout fluid on the breech face.
- Observe the alignment indicated by the layout fluid to ensure proper fitting.

3. PostUsage:

- Carefully remove the gauge from the barrel after use.
- Clean any layout fluid residue from the gauge and the firearm.
- Store the gauge in a safe, dry place away from children.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the gauge is no longer usable, check local guidelines for disposal of metal products.
- Do not dispose of the gauge in regular household waste if it is damaged or poses a safety risk.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 1911 Barrel Alignment Gauge, please refer to the product packaging for contact information or consult a qualified professional.

Conclusion

Your safety is paramount when using the 1911 Barrel Alignment Gauge. By following these guidelines, you can ensure a safe and effective experience. Always stay informed about product recalls and safety alerts through the EU's Safety Gate platform. Thank you for your attention to these important safety instructions.
