# Safety Instruction Guide for Brownells 832 TPI Crimper Tip

## Introduction

Thank you for choosing the Brownells 832 TPI Crimper Tip. This guide provides important safety instructions and usage information to ensure safe handling and operation of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the Crimper Tip is compatible with the Brownells 1911 Plunger Tube Staking Tool before use.
- Always inspect the Crimper Tip for any damage or wear before use. Do not use if damaged.
- Use the Crimper Tip only for its intended purpose as specified in this guide.
- Keep the Crimper Tip out of reach of children and vulnerable individuals.
- Follow all safety instructions provided by the manufacturer of the tools you are using in conjunction with the Crimper Tip.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Crimper Tip.
- Ensure that the working area is clean, welllit, and free from clutter to prevent accidents.
- Avoid using the Crimper Tip in wet or damp conditions to reduce the risk of electrical shock or corrosion.
- Do not exceed the recommended torque specifications when using the Crimper Tip.
- Always follow the manufacturer's instructions for the Brownells 1911 Plunger Tube Staking Tool when installing or removing the Crimper Tip.

## Instructions for Installation and Usage

### 1. Installation of the Crimper Tip:

- Ensure the Brownells 1911 Plunger Tube Staking Tool is turned off and disconnected from any power source.
- Remove any existing Crimper Tip from the tool by following the manufacturer's instructions.
- Align the 832 TPI Crimper Tip with the tool's attachment point.
- Securely fasten the Crimper Tip to the tool, ensuring it is tightly fitted and does not wobble.

### 2. Usage of the Crimper Tip:

- Once installed, doublecheck that the Crimper Tip is secure.
- Follow the specific instructions for the Brownells 1911 Plunger Tube Staking Tool to operate the tool correctly.
- Apply even pressure when using the tool to ensure a proper crimp.
- If you encounter resistance or difficulty, stop using the tool and check for misalignment or obstruction.

### 3. After Use:

- Turn off and disconnect the tool from any power source after use.
- Clean the Crimper Tip and the tool as recommended by the manufacturer.
- Store the Crimper Tip in a dry, safe place away from children and pets.

## **Disposal Instructions**

- Dispose of the Crimper Tip in accordance with local waste management regulations.
- Do not dispose of the Crimper Tip in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Brownells 832 TPI Crimper Tip, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

Thank you for your attention to these safety instructions. Your safety is our priority.
