

STOCK TAKEDOWN SET - BROWNELLS SOCKETS & DRAG LINK KIT

[Gunsmith Tools](#) > [Shotgun Tools](#) > [Buttstock Takedown Tools](#)

All The Tools Needed To Prevent Split Stocks

The very best possible tools for removing most styles of buttstock bolts and action spring tube nuts. The thin-walled sockets are correct to prevent slipping and burring. The drag-link bit is round at the drive end, which automatically centers the blade in the stock bolt hole and makes fitting it into the slot about 1,000 times easier!! Plus, they work for other shop jobs, too.

Safety Instruction Guide for STOCK TAKEDOWN SET BROWNELLS SOCKETS & DRAG LINK KIT

Introduction

Thank you for choosing the STOCK TAKEDOWN SET BROWNELLS SOCKETS & DRAG LINK KIT. This set is designed to provide you with the best tools for removing most styles of buttstock bolts and action spring tube nuts. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean, welllit, and free from distractions.
- Use the product only for its intended purpose as described in this manual.
- Keep the tools out of reach of children and vulnerable individuals.
- Inspect the tools before use. Do not use damaged or worn tools.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Be aware of your surroundings and ensure that no one else is in the immediate area when using the tools.
- If you experience any discomfort or unusual symptoms while using the product, stop using it immediately and seek assistance.

Specific Safety Precautions for Use

- **ThinWalled Sockets:** Ensure that the thinwalled sockets are correctly fitted to prevent slipping and burring during use.
- **Drag Link Bit:** When using the drag link bit, ensure that it is properly centered in the stock bolt hole to avoid damage to the tool or the workpiece.
- **Thandle and Drive Extension:** Use the Thandle and drive extension according to the specifications provided. Do not exceed the recommended torque limits.
- **General Handling:** Handle all tools with care to avoid accidents. Do not use excessive force, as this may lead to tool failure or personal injury.
- **Storage:** Store the tools in a dry place and in their designated storage case to prevent damage and ensure longevity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure your work area is organized.
- Ensure you are wearing appropriate PPE.

2. Using the Sockets:

- Select the appropriate size socket for the bolt you are working on.
- Attach the socket to the drive extension securely.
- Insert the drive extension into the Thandle.

3. Removing Buttstock Bolts:

- Position the socket over the bolt head.
- Apply gentle pressure while turning the Thandle to loosen the bolt.

- If resistance is encountered, do not force it. Instead, doublecheck the socket fit and alignment.

4. Using the Drag Link Bit:

- Insert the drag link bit into the Thandle.
- Align the bit with the stock bolt hole.
- Turn the Thandle gently to engage the bit and remove the bolt.

5. PostUse:

- Clean the tools after use to remove any debris or residue.
- Store the tools securely in their designated case.

Disposal Instructions

- Dispose of any damaged or unusable tools in accordance with local regulations.
- Do not dispose of tools in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the manufacturer's customer support or refer to the product's official website. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with the STOCK TAKEDOWN SET BROWNELLS SOCKETS & DRAG LINK KIT. Your safety is our priority.
