

# 1911 AUTO MAGAZINE LIP FORMING TOOLS - BROWNELLS 1911 45 AUTO LIP FORMING YOKE

[Gunsmith Tools](#) > [Handgun Tools](#) > [Magazine Tools](#)

## Customizes Magazines To Properly Feed Wadcutter Ammo

No amount of accurizing will make a 1911 Auto shoot wadcutter ammo if the magazine's feed lips aren't right. These tools easily reform the lips to the optimum angle, curing the tendency of wadcutter to jam against the ramp. "Yoke" (designed by Lou Woll while at Rock Island Arsenal) fits over the lips and ensures that both sides will be identical.

## Attributes

# Safety Instruction Guide for 1911 Auto Magazine Lip Forming Tools

## Introduction

Thank you for choosing the 1911 Auto Magazine Lip Forming Tools by Brownells. These tools are designed to help ensure the proper functioning of your 1911 Auto magazine, particularly when using wadcutter ammunition. This guide provides essential safety instructions to help you use the product safely and effectively.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean, dry, and free from any distractions.
- Keep the tools out of reach of children and unauthorized personnel.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the tools.
- Inspect the tools for any damage before use. Do not use damaged tools.
- Follow all local laws and regulations regarding firearms and ammunition.

## Specific Safety Precautions for Use

- Ensure that the magazine is unloaded before attempting to reform the lips.
- Do not attempt to reform the magazine lips while the magazine is attached to the firearm.
- Use the tools only for their intended purpose—reforming magazine feed lips.
- Avoid excessive force when using the yoke to prevent damage to the magazine.
- Be cautious of sharp edges on the tools and the magazine. Handle with care to avoid cuts or injuries.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the magazine is completely unloaded and clean.
- Gather the required tools: the 1911 Auto Magazine Lip Forming Tools and a clean work surface.

### 2. Using the Yoke

- Position the yoke over the feed lips of the magazine.
- Align the yoke so that it fits securely over both sides of the magazine lips.
- Gently apply pressure to the yoke to reform the lips to the desired angle.
- Check the alignment and ensure both sides of the magazine are identical.

### 3. Final Inspection

- After reforming, visually inspect the magazine lips for uniformity.
- Test the magazine with wadcutter ammunition to ensure proper feeding.

### 4. Cleaning and Maintenance

- Clean the tools after each use to prevent corrosion and ensure longevity.
- Store the tools in a safe, dry place away from moisture.

## **Disposal Instructions**

- Dispose of any damaged or unusable tools in accordance with local regulations.
- Recycle materials when possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the 1911 Auto Magazine Lip Forming Tools, please reach out to the designated contact point provided by your retailer.

By following these safety instructions, you can ensure a safe and effective experience with your 1911 Auto Magazine Lip Forming Tools. Thank you for your commitment to safety and responsible firearm maintenance.
