HAMMER/SEAR FILE & STONE KIT Safety Instructions

Introduction

Thank you for choosing the HAMMER/SEAR FILE & STONE KIT by Brownells. This kit is specifically designed for precision work on 1911 Auto triggers and sears. To ensure your safety and the effective use of this product, please follow the guidelines outlined in this instruction manual.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the tools and stones for any damage before use.
- Use the tools only for their intended purpose.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the kit.
- Work in a wellventilated area to avoid inhaling dust or particles generated during use.
- Store the kit in a dry place, away from moisture and extreme temperatures.

Specific Safety Precautions for Use

- The stones and files have sharp edges; handle them with care to avoid cuts or injuries.
- Do not use excessive force when filing or sharpening to prevent damage to the tools or workpiece.
- Ensure that the workpiece is securely clamped or held in place before using the files or stones.
- Avoid distractions while working to maintain focus and prevent accidents.
- If you experience any discomfort or unusual sensations while using the tools, stop immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure your workspace is clean and organized.
- Wear safety glasses and gloves.

2. Using the Hammer Hook Squaring File:

- Hold the file by the handle and position it against the workpiece.
- Apply light pressure and move the file in a controlled manner to achieve the desired shape.
- Frequently check your progress to avoid overfiling.

3. Using the India Stone:

- Moisten the stone with oil or water as recommended.
- Place the stone on a stable surface.
- Rub the workpiece against the stone in a backandforth motion, applying even pressure.

4. Using the Ceramic Stones:

- Select the appropriate ceramic stone for your task.
- Similar to the India stone, moisten the ceramic stone if necessary.

- Use a consistent motion to ensure an even finish on the workpiece.

5. Cleaning and Maintenance:

- After use, clean the files and stones with a soft brush or cloth to remove debris.
- Store the tools in the provided polypropylene storage box to protect them from damage.

Disposal Instructions

- Dispose of any damaged or unusable tools in accordance with local regulations.
- Do not dispose of the product in household waste; check for recycling options in your area.

Contact Information for Further Support

For any safety inquiries or additional information regarding the HAMMER/SEAR FILE & STONE KIT, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Please remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Your safety is our priority, and we appreciate your cooperation in following these guidelines.
