SCOPE SHIM KIT Safety Instruction Guide

Introduction

Thank you for choosing the SCOPE SHIM KIT from BROWNELLS. This kit provides a practical solution for achieving the perfect height for scope base and ring alignment. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the kit out of reach of children and vulnerable individuals.
- Always inspect the shims for any damage before use.
- Follow all instructions for installation and usage to avoid accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only the recommended thickness and hole spacing for your specific scope and firearm.
- Do not exceed the maximum load capacity of the scope shims.
- Avoid using shims that show signs of wear or damage.
- Ensure that all components are securely fastened before using your firearm.
- Always wear appropriate safety gear when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Selecting the Right Shim

- Choose the appropriate shim thickness and hole spacing based on your scope and firearm specifications.
- The kit contains shims with the following options:
 - Hole Spacing: .600" (15.2mm) and .860" (21.8mm)
 - Thickness: .006" (.152mm), .008" (.203mm), .010" (.254mm), .012" (.304mm)

3. Installation Steps

- Remove the existing scope rings and base from your firearm.
- Place the selected shim(s) between the scope base and the firearm.
- Reattach the scope base, ensuring it is level and secure.
- Install the scope rings on top of the scope and tighten them evenly.
- Doublecheck that everything is aligned properly before use.

4. Final Check

- Ensure that all screws and components are tightened to the manufacturer's specifications.
- Perform a function check to ensure proper alignment and operation of the scope.

Disposal Instructions

- Dispose of any damaged or unused shims in accordance with your local waste disposal regulations.
- Do not throw shims in regular trash if they are made of materials that require special handling.

Contact Information for Further Support

For any inquiries regarding the SCOPE SHIM KIT, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure the safe use of your SCOPE SHIM KIT. Thank you for your attention to these important safety instructions.
