# SCOPE SHIM KIT BROWNELLS .600"X.006" SCOPE SHIM REFILL 10 PACK Safety Instructions

## Introduction

Thank you for choosing the SCOPE SHIM KIT BROWNELLS .600"X.006" SCOPE SHIM REFILL 10 PACK. This kit is designed to provide a complete selection of scope shims for enhancing scope base and ring alignment. To ensure safe and effective use, please read the following safety instructions carefully.

## General Safety Guidelines

- Always use the product as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage before use.
- Do not use the product if it appears damaged or defective.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the shims are compatible with your scope and mounting system.
- Avoid using excessive force during installation to prevent damage.
- Use appropriate tools for installation to ensure safety and effectiveness.
- Wear safety goggles to protect your eyes during installation.
- Do not attempt to modify the shims or use them for any purpose other than intended.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and ensure you have the correct size shim for your application.
- Clean the mounting surface of your scope and firearm to remove any debris or oil.

### 2. Installation:

- Select the appropriate shim based on hole spacing and thickness required for your scope.
- Align the shim with the mounting holes on the scope base.
- Insert the screws through the shim and into the mounting holes.
- Tighten the screws evenly, ensuring the shim remains flat and secure.
- Check alignment and adjust as necessary.

### 3. PostInstallation:

- After installation, doublecheck that all screws are securely tightened.
- Test the setup to ensure proper alignment and functionality before using the firearm.
- Regularly inspect the installation for any signs of wear or loosening.

## Disposal Instructions

- Dispose of any unused or damaged shims in accordance with local regulations.
- Do not dispose of shims in household waste if they are considered hazardous.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please reach out to the designated contact point provided by the manufacturer.
