## SERIES II INDIA STONE

### Introduction

Thank you for choosing the SERIES II STONES SERIES II INDIA STONE. This guide provides essential safety instructions and usage guidelines to ensure safe and effective use of the product. Please read this document carefully before using the stone.

### General Safety Guidelines

- Always use the product in accordance with the instructions provided.
- Inspect the stone for any visible damage before use. Do not use if damaged.
- Keep the stone out of reach of children to prevent accidental injury.
- Use protective eyewear to safeguard against dust or debris generated during use.
- Ensure a stable working surface to prevent slipping or accidents while using the stone.
- Do not expose the stone to extreme temperatures or moisture, as this may affect its performance and safety.

### Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including gloves and safety goggles, while using the stone.
- **Ventilation:** Ensure that the area is wellventilated to minimize inhalation of dust.
- **Technique:** Use the stone with a smooth, controlled motion to avoid slips and maintain safety.
- **Storage:** Store the stone in a dry place and in its protective case to prevent damage and ensure longevity.
- **Avoid Contact:** Do not touch the stone with bare hands during and immediately after use, as it may be hot or contain abrasive particles.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the work area is clean and free from clutter.
- Gather all necessary tools and materials before starting.

#### 2. Using the Stone:

- Place the stone securely in the Series II Stoning Fixture.
- Adjust the fixture according to the desired angle for sharpening.
- Apply light pressure and move the item being sharpened across the stone in a consistent motion.
- Regularly check the progress to avoid oversharpening.

#### 3. PostUse Care:

- Clean the stone after each use to remove any debris or residue.
- Store the stone in its original packaging or a dedicated storage case to protect it from damage.

### Disposal Instructions

- Dispose of the stone in accordance with local regulations concerning nonhazardous materials.
- If the stone is damaged beyond repair, consider recycling options if available.
