

RUBBER-FACED VISE JAWS

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Vises & Accessories](#) > [Vise Jaws](#)

Protects Delicate Or Polished Parts From Damage

Will not mark or scratch expensive or delicate firearm parts, but holds them firmly without damage. Durable, nylon-reinforced rubber is permanently bonded to lightweight aluminum, replaceable jaws. Wide retaining lip with nitrile magnet on the underside keeps jaws in place; drops right onto any 4", 5" or 6" steel bench vise and stays put.

RUBBERFACED VISE JAWS Safety Instruction Guide

Introduction

Thank you for choosing the RUBBERFACED VISE JAWS by BROWNELLS. This product is designed to securely hold delicate firearm parts without causing any damage. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the RUBBERFACED VISE JAWS are used in accordance with this guide to prevent accidents and injuries.
- Always inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and other vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- In case of any malfunction or defect, discontinue use immediately and report it to the appropriate authorities.

Specific Safety Precautions for Use

- Always secure the firearm parts properly in the vise jaws to prevent slippage.
- Avoid using excessive force when tightening the vise jaws around the parts.
- Do not use the RUBBERFACED VISE JAWS for any applications other than holding firearm parts.
- Be mindful of your surroundings and ensure that no one is in close proximity while using the vise jaws.
- If any part of the product becomes damaged or worn, do not use it and replace it immediately.

Instructions for Installation and Usage

1. Installation:

- Ensure that your bench vise is clean and free from debris.
- Align the RUBBERFACED VISE JAWS with the opening of the bench vise.
- Place the jaws onto any 4", 5", or 6" steel bench vise, ensuring that the nitrile magnet on the underside secures them in place.

2. Usage:

- Open the bench vise to a position that allows for easy insertion of the firearm part.
- Place the firearm part between the rubberfaced jaws.
- Gradually close the vise until the part is held securely, ensuring not to overtighten.
- Once secure, proceed with your work while monitoring the stability of the part.

3. Removal:

- To remove the firearm part, open the bench vise slowly.
- Carefully take out the part from the rubberfaced jaws.
- Clean the jaws after use to maintain their condition.

Disposal Instructions

- Dispose of the RUBBERFACED VISE JAWS in accordance with local regulations regarding waste disposal.
- If the product is damaged or no longer in use, consider recycling the aluminum components where

possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RUBBERFACED VISE JAWS, please refer to the appropriate authorities or your point of purchase.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the RUBBERFACED VISE JAWS. Always prioritize safety and report any concerns to the relevant authorities. Thank you for your attention to these important guidelines.
