# YAVAPAI 1911 Slide Jig Safety Instructions

## Introduction

Thank you for purchasing the YAVAPAI 1911 Slide Jig. This product has been developed to assist gunsmithing students and professionals in safely and effectively working on all models of 1911 Auto slides. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU regulations.

## General Safety Guidelines

- Always use the YAVAPAI 1911 Slide Jig in a wellventilated area.
- Ensure the workspace is clean and free of clutter to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when operating the jig.
- Keep the jig out of reach of children and vulnerable individuals.
- Regularly inspect the jig for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Sharp edges and moving parts may cause cuts or injuries.
  - Heavy components may cause injury if dropped.
- **Avoiding Hazards:**
  - Handle the jig with care to avoid dropping it.
  - Do not place fingers near moving parts during operation.
  - Ensure that the jig is securely positioned before beginning work.
- **AudienceSpecific Warnings:**
  - This product is intended for use by adults and individuals with appropriate training in gunsmithing. It is not suitable for children.

## Instructions for Installation and Usage

1. **Setup:**
  - Place the YAVAPAI 1911 Slide Jig on a stable, flat surface.
  - Ensure that the jig is securely clamped to avoid movement during use.
2. **Holding the Slide:**
  - Position the 1911 Auto slide in the jig, ensuring it fits securely in the millingvise fixture.
  - Adjust the jig to hold the slide in one of the four different positions as needed for your milling tasks.
3. **Milling Operations:**
  - Follow the specific instructions for the operation you are performing, such as milling lowmount sight dovetails or front cocking serrations.
  - Use the jig handle to maintain a firm grip while milling, ensuring your hands are clear of the cutting area.
4. **PostUse:**
  - When finished, carefully remove the slide from the jig.
  - Clean the jig and workspace to remove any debris or residue.
  - Store the jig in a safe, dry location away from children.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the jig is no longer usable, check local regulations for proper disposal methods for aluminum products.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the YAVAPAI 1911 Slide Jig, please refer to the manufacturer's contact information provided on the product packaging or website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective working environment while using the YAVAPAI 1911 Slide Jig. Always prioritize safety and adhere to the guidelines provided in this manual. Thank you for your commitment to safe practices in gunsmithing.
