

MAINSRING HOUSING PIN TOOL - BROWNELLS MAINSPRING HOUSING PIN TOOL

[Gunsmith Tools](#) > [Handgun Tools](#) > [Mainspring Tools](#)

Pops This Stubborn Pin Out Easily

Makes removing the 1911 Auto mainspring housing pin (it's held in by a detent) a snap. Round, plastic handle fits your palm nicely, one "rap" and the pin is out. Speeds any disassembly/reassembly job, whether doing repairs or using the "stone and try" method for trigger pull work. Fits all 1911 Autos.

MAINSRING HOUSING PIN TOOL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Mainspring Housing Pin Tool by Brownells. This tool is designed to facilitate the removal of the mainspring housing pin from 1911 Auto firearms. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the tool.

General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good working condition.
- Report any defects or issues to the manufacturer immediately.
- Follow all relevant local laws and regulations regarding the use of tools and firearms.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attempting to use the tool.
- Always point the firearm in a safe direction when using the tool.
- Use the tool only for its intended purpose; do not modify or misuse it.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the tool.
- Do not use excessive force when operating the tool to avoid damage or injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and materials.

2. Using the Mainspring Housing Pin Tool:

- Hold the tool by the round plastic handle.
- Position the tool over the mainspring housing pin.
- Apply a firm, controlled "rap" to the tool to release the pin.
- Carefully remove the pin and set it aside in a safe location.

3. Reassembly:

- To reassemble, align the mainspring housing and insert the pin back into place.
- Ensure the pin is securely in position before proceeding.

4. PostUse:

- Clean the tool after use to maintain its condition.
- Store the tool in a safe and dry location.

Disposal Instructions

- Dispose of the tool in accordance with local waste disposal regulations.
- If the tool is damaged beyond repair, consider recycling materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the Mainspring Housing Pin Tool, please reach out to the manufacturer or authorized retailer for assistance. Additionally, you can report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Your adherence to these guidelines helps ensure safe usage of the Mainspring Housing Pin Tool and promotes a safer environment for all users.
