# Safety Instruction Guide for REVOLVER ACTION WRENCH HEADS FOR S&W K FRAME

## Introduction

Thank you for choosing the REVOLVER ACTION WRENCH HEADS for your Smith & Wesson K Frame. This guide provides essential safety instructions and operational guidelines to ensure safe use and maintenance of the product. Please read this document carefully before using the wrench heads.

## General Safety Guidelines

- Always use the Revolver Action Wrench in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free from hazards before using the wrench.
- Keep the wrench and its heads out of reach of children and vulnerable individuals.
- Inspect the wrench and heads for any damage before each use. Do not use damaged parts.
- Use protective eyewear and gloves when handling the wrench and during installation.
- Be aware of your surroundings and ensure that others are at a safe distance while using the wrench.

## Specific Safety Precautions for Use

- Ensure that the wrench heads are securely attached to the handle before use.
- Use the wrench only for its intended purpose: to work on Smith & Wesson K Frame firearms.
- Avoid applying excessive force when using the wrench to prevent damage to the firearm or the wrench itself.
- Do not modify or alter the wrench or its heads in any way.
- If you experience any difficulty while using the wrench, stop immediately and review the instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and ensure that your work area is welllit and organized.
- Verify that you have the correct wrench head for your specific Smith & Wesson K Frame model.

### 2. Installation:

- Align the wrench head with the handle's square opening.
- Push the wrench head down until it clicks into place, ensuring it is secure.

### 3. Usage:

- Position the firearm securely in a stable work area.
- Carefully fit the wrench head around the firearm's frame.
- Apply steady, even pressure on the handle to perform the necessary adjustments or removals.
- Always maintain a firm grip on the handle to prevent slipping.

### 4. PostUse Care:

- After use, remove the wrench head from the handle by pressing the release button (if applicable).
- Clean the wrench and heads with a soft cloth to remove any debris or residue.
- Store the wrench and heads in a dry place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any damaged or unusable parts according to local regulations.
- Recycle packaging materials whenever possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please reach out to the designated EU contact point associated with this product. Ensure you have the product details handy for efficient assistance.

Please remember that your safety is our priority. Following these guidelines will help ensure a safe and effective experience with your REVOLVER ACTION WRENCH HEADS.
