# Safety Instructions for the Universal Clamping Block Large Barrel Clamping Block

## Introduction

Thank you for choosing the Universal Clamping Block Large Barrel Clamping Block. This product is designed to provide reliable support during barrel work. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always read the instructions before using the product.
- Ensure that the clamping block is suitable for your specific application.
- Inspect the clamping block for any damage or wear before each use.
- Keep the clamping block out of reach of children and vulnerable individuals.
- Do not use the clamping block for any purpose other than its intended use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recalls or safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the clamping block only with compatible barrel vises, such as the Wilcox AllPro Barrel Vise.
- Always secure the barrel firmly in place before starting any work.
- Avoid applying excessive force that may lead to damage or failure of the clamping block.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the clamping block.
- Do not exceed the recommended dimensions and specifications for the small and large sizes: Small (Sm): 3" wide, 3" deep, 3¼" high; Hole diameter: 1¾" (4.4cm) Large (Lg): 4½" (11.43cm) wide, 3" (7.6cm) deep, 3¼" (8.2cm) high
- Ensure that the area around you is clear of obstacles to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials before starting.
- Ensure that your workspace is clean and welllit.

### 2. Installation

- Select the appropriate size of the clamping block for your barrel vise.
- If using Brownells Barrel Vise Bushings, ensure they are properly fitted.
- If casting your own bushings, follow the manufacturer's guidelines for best results.

### 3. Usage

- Place the barrel securely within the clamping block.
- Adjust the block to fit snugly around the barrel without overtightening.
- Follow any additional instructions provided with your barrel vise.

### 4. PostUsage

- After completing your work, carefully remove the barrel from the clamping block.

- Clean the clamping block to remove any debris or residue.

## **Disposal Instructions**

- Dispose of the clamping block in accordance with local regulations.
- If the clamping block is damaged, do not attempt to repair it. Dispose of it responsibly.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please consult the product documentation or contact your retailer. Always ensure that you have access to the latest safety information and product updates.

By following these safety instructions, you can ensure a safe and effective experience with your Universal Clamping Block Large Barrel Clamping Block. Thank you for prioritizing safety.
