Safety Instructions for the Universal Clamping Block Small Barrel Clamping Block

Introduction

Thank you for choosing the Universal Clamping Block Small Barrel Clamping Block. This product is designed to provide secure and reliable support for your barrel vise needs. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always read the product instructions before use.
- Ensure the product is suitable for your specific application.
- Inspect the clamping block for any signs of damage before each use.
- Keep the product out of reach of children and pets.
- Use the product only for its intended purpose to avoid accidents.
- Follow all safety guidelines when using tools and equipment in conjunction with this product.
- Be aware of your surroundings and ensure a safe working environment.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Avoid overtightening the clamping block, as this may cause damage to the barrel or the clamping block itself.
- Ensure that the barrel is properly aligned and secured before applying any force.
- Do not use the clamping block if it shows signs of wear or damage.
- If you experience any difficulty during use, stop immediately and consult the instructions or seek assistance.
- Do not modify the clamping block in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the working area is clean and free of obstructions.
- Gather all necessary tools and equipment before beginning.

2. Installation:

- For Small (Sm) Block:
 - Place the block on a stable surface.
 - Ensure the hole diameter of 1 $\frac{3}{4}$ " (4.4 cm) is compatible with your barrel vise.
- For Large (Lg) Block:
 - Place the block on a stable surface.
 - Ensure the dimensions (4 $\frac{1}{2}$ " wide, 3" deep, 3 $\frac{1}{4}$ " high) fit your setup.

3. Usage:

- Position the barrel in the clamping block.
- Adjust the block to secure the barrel properly.
- Tighten the block gently to avoid damaging the barrel.
- Confirm that the barrel is stable before proceeding with any work.

4. PostUse:

- After completing your work, carefully loosen and remove the barrel from the clamping block.
- Store the clamping block in a dry and safe location.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the clamping block is damaged beyond repair, recycle the materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of the Universal Clamping Block Small Barrel Clamping Block, please refer to the product packaging or contact your retailer for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the Universal Clamping Block Small Barrel Clamping Block. Thank you for your attention to safety.
