Safety Instructions for the 870/1100 Pin Pusher

Introduction

Thank you for choosing the 870/1100 Pin Pusher by Brownells. This tool is designed to safely and effectively remove trigger group pins from Remington 870 and 1100 models. To ensure the safe use of this product, please read the following safety instructions carefully. These guidelines are provided in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the workspace is clean and welllit to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Keep the product out of reach of children and other vulnerable individuals.
- Inspect the tool for any damage or wear before each use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the tool is used only for its intended purpose—removing trigger group pins from Remington 870 and 1100 models.
- Do not attempt to modify or alter the tool in any way.
- Use the tool on a stable surface to prevent slipping or accidents.
- Always position the tool correctly to avoid pinching or crushing injuries.
- Do not apply excessive force; if the pin does not move easily, inspect for obstructions.
- Keep hands and other body parts away from the tool's working area during use.
- If the tool slips, stop using it immediately and assess the situation before continuing.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the 870/1100 Pin Pusher.
- Ensure the firearm is unloaded and safe to work on.

2. Using the Pin Pusher:

- Position the pin pusher over the trigger group pin you wish to remove.
- Align the tool carefully to avoid slipping.
- Apply gentle pressure to push the pin out. If resistance is met, stop and check for any issues.
- Once the pin is removed, inspect the area for any debris or damage.

3. PostUse:

- Clean the tool after each use to maintain its effectiveness.
- Store the tool in a safe, dry place away from children.

Disposal Instructions

- Dispose of the tool responsibly at a designated recycling or waste disposal facility.
- Do not dispose of the tool in regular household waste.
- Follow local regulations regarding the disposal of tools and equipment.

Contact Information for Further Support

For any questions or concerns regarding the 870/1100 Pin Pusher, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your 870/1100 Pin Pusher responsibly!
