# Safety Instruction Guide for the 870/1100 Carrier Pivot Slave Pin

## Introduction

Thank you for choosing the 870/1100 Carrier Pivot Slave Pin. This product is designed to simplify the assembly of the Fire Control Assembly for the Remington 870. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to assist in the assembly of the Fire Control Assembly of the Remington 870.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Follow all instructions carefully to minimize the risk of accidents or injuries.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Use the Carrier Pivot Slave Pin only with the specified model, the Remington 870.
- Ensure that your working area is clean and free from obstructions to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling tools and components.
- Avoid using excessive force when inserting or removing the Slave Pin to prevent damage to the components.
- Do not use the product if you are unsure about the assembly process. Seek assistance if needed.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components before beginning the assembly.
- Ensure that the working area is welllit and organized.

### 2. Assembly Process:

- Align the tapered nose of the Carrier Pivot Slave Pin with the Carrier, Carrier Dog Washer, and Trigger Plate.
- Carefully insert the Slave Pin into the designated area, ensuring that it is properly aligned.
- Once the Slave Pin is in place, the Carrier Pivot Tube can be guided through the Slave Pin and into position.
- Doublecheck the alignment of all components before finalizing the assembly.

### 3. PostInstallation Check:

- After assembly, inspect the components to ensure that they are securely in place and functioning correctly.
- Test the assembly by performing a safety check to confirm that all parts operate as intended.

## **Disposal Instructions**

- Dispose of the product responsibly and in accordance with local regulations.
- If the product is no longer usable, ensure that it is recycled or disposed of in a manner that does not harm the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the 870/1100 Carrier Pivot Slave Pin, please refer to the manufacturer's official website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the 870/1100 Carrier Pivot Slave Pin. Thank you for your attention to safety and proper use of this product.
