MAGAZINE TUBE DENT RAISER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MAGAZINE TUBE DENT RAISER by BROWNELLS. This tool is designed to help you efficiently remove dents from 12 or 20 gauge magazine tubes. To ensure your safety and the proper use of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always use the MAGAZINE TUBE DENT RAISER as intended.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Do not use the tool if it is damaged or malfunctioning.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the magazine tube is empty and free of ammunition before using the tool.
- Use the tool in a welllit area to ensure visibility during operation.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against potential injuries.
- Avoid using excessive force when inserting or removing the tool to prevent damage to the magazine tube.
- Do not attempt to use the tool on Mossberg magazine tubes, as it is not compatible.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the magazine tube is completely empty and devoid of any ammunition.
- Inspect the MAGAZINE TUBE DENT RAISER for any visible damage.

2. Inserting the Tool:

- Align the tool with the opening of the magazine tube.
- Gently slide the MAGAZINE TUBE DENT RAISER into the tube until it reaches the dented area.

3. Removing Dents:

- Once the tool is positioned against the dent, apply gentle pressure to push the dent out.
- Avoid using excessive force; if the dent does not come out easily, reassess the position of the tool.

4. Completion:

- After removing the dent, carefully withdraw the tool from the magazine tube.
- Inspect the magazine tube to ensure the dent has been adequately removed.

5. Storage:

- Clean the tool after use and store it in a dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the MAGAZINE TUBE DENT RAISER in accordance with local regulations.
- Do not dispose of the tool in regular household waste; check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the MAGAZINE TUBE DENT RAISER, please refer to the manufacturer's contact details provided with the product packaging or on the official website.

Thank you for following these safety instructions. Enjoy the benefits of your MAGAZINE TUBE DENT RAISER while ensuring your safety and the safety of others.
