

1911 FRONT SIGHT STAKER - SWAGE POINT ONLY

[Gunsmith Tools & Supplies](#) > [Sight & Scope Installation Tools](#) > [Sight Stakers](#)

Makes Sight Staking Easier

Makes front sight staking effortless, faster and far more accurate. Improved, offset punch design efficiently directs the full force of the hammer blow downward against the sight tenon. Hardened, "V"-shaped tip easily displaces both wide and narrow tenons for a great-looking, tight-fitting front sight that won't shoot loose. Large, square shaft is easier to hold, see and hit so there's less chance of a missed hammer blow striking your customer's expensive slide.

Safety Instruction Guide for 1911 Front Sight Staker Swage Point Only

Introduction

Thank you for choosing the 1911 Front Sight Staker Swage Point Only. This tool is designed to make front sight staking easier, faster, and more accurate. To ensure safe and effective use, please read and follow the safety instructions and guidelines provided in this manual.

General Safety Guidelines

- Always use the tool in a welllit and stable environment.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Use protective eyewear to shield your eyes from potential debris.
- Do not use the tool for any purpose other than its intended use.
- Store the tool in a safe place when not in use to prevent accidents.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before using the tool.
- Use the tool only on compatible firearms, specifically the 1911 Auto.
- Avoid applying excessive force that may damage the tool or the firearm.
- Do not attempt to modify the tool or its components in any way.
- If you experience any difficulties or if the tool does not function as intended, cease use immediately and consult the instructions or a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and safely secured.
- Gather all necessary tools and materials for the job.

2. Using the 1911 Front Sight Staker:

- Position the front sight staker over the sight tenon.
- Align the "V" shaped tip with the tenon to ensure proper contact.
- Apply a firm, controlled hammer blow to the tool's square shaft.
- Repeat as necessary until the sight is securely staked in place.

3. PostUse:

- Inspect the front sight to confirm it is properly staked.
- Clean the tool after use to maintain its condition.
- Store the tool in its designated place.

Disposal Instructions

- Dispose of the tool in accordance with local regulations.
- If the tool is damaged beyond repair, please consider recycling materials where possible.

Contact Information for Further Support

For any inquiries or further support regarding the use of the 1911 Front Sight Staker Swage Point Only, please refer to the product packaging for contact details of the manufacturer.

Conclusion

Your safety is paramount. By following these guidelines, you can ensure a safe and effective experience with your 1911 Front Sight Staker Swage Point Only. Remember to stay informed about any updates or recalls regarding the product through official channels. Thank you for prioritizing safety in your firearm maintenance.
