

COLT SINGLE ACTION HAND SLOT STONING KIT - HAND SLOT STONING KIT, COLT SINGLE ACTION

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Stones](#)

Smooth Those Hard-To-Reach Spots For Lightest Pull

You can't get a great action job with out cleaning up every bit of roughness inside the Single Action Army's frame. You'll be amazed at how much you can reduce the single action's cocking effort and lighten perceived trigger pull without ever touching the critical trigger/hammer notches. Well worth the effort on first and second generation Colts, especially important on 3rd generation and clones with cast or roughly forged frames. The MF-414 stone fits nicely in the hand slot and cuts quickly to get rid of casting roughness. Follow with the HF-823 to make a slick, polished path for the hand. Use the MF-14 to round the nose of the hammer notch. Thanks to Eddie Janis of Peacemaker Specialists for his help with this kit.

Safety Instruction Guide for COLT SINGLE ACTION HAND SLOT STONING KIT

Introduction

Thank you for choosing the COLT SINGLE ACTION HAND SLOT STONING KIT. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide carefully before using the kit to prevent any accidents or injuries.

General Safety Guidelines

- Always use the product in accordance with the instructions provided.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the tools and stones for any damage before use. Do not use damaged tools.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against dust and debris.
- Ensure that your work area is clean, welllit, and free from hazards.
- Avoid distractions while using the kit to maintain focus and safety.

Specific Safety Precautions for Use

- Use the MF414 stone for initial roughness removal. Ensure it fits securely in the hand slot before use.
- When using the HF823 stone, apply light pressure to avoid excessive wear or breakage.
- Use the MF14 stone to round the hammer notch with caution to prevent slips that could cause injury.
- Always follow the recommended dimensions and specifications for each stone to ensure optimal performance.
- Do not use the stones for purposes other than intended. Misuse can lead to accidents or damage to the product.

Instructions for Installation and Usage

1. Preparation:

- Gather all tools and materials needed for the stoning process.
- Ensure your workspace is organized and free of clutter.

2. Using the MF414 Stone:

- Insert the MF414 stone into the hand slot.
- Apply gentle pressure while moving the stone along the rough areas of the frame.
- Check progress frequently to avoid overremoval of material.

3. Using the HF823 Stone:

- After using the MF414, switch to the HF823 stone.
- Use it to smooth and polish the path for the hand, applying light pressure.

4. Using the MF14 Stone:

- Finally, use the MF14 stone to round the nose of the hammer notch.
- Take care to maintain control of the stone to prevent slips.

5. PostUse:

- Clean the stones after use to maintain their effectiveness.
- Store the kit in a cool, dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any worn or damaged stones according to local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options for materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the COLT SINGLE ACTION HAND SLOT STONING KIT, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the COLT SINGLE ACTION HAND SLOT STONING KIT. Thank you for your attention to safety and proper usage.
