

# MAUSER 98 STOCK FERRULES - MAUSER M98 STOCK FERRULES

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Bedding Accessories](#) > [Bedding Fixtures](#)

## Ends Stock Crush, Increases Accuracy

A modern update of the original M98 rear, triggerguard screw ferrule that prevented overtightening, maintained accuracy and kept the stock from splitting. Perfect for fast, pillar bedding; our heavy-wall, stainless steel ferrule fits all M98 actions and can be easily adapted to fit any rifle action that uses .250" diameter, rear stock screws. Can be shortened for front screw application.

# MAUSER 98 STOCK FERRULES Safety Instruction Guide

## Introduction

Thank you for choosing the MAUSER 98 Stock Ferrules. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read the entire guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all safety guidelines are followed to prevent accidents and injuries.
- Use the product only as intended, in accordance with the manufacturer's specifications.
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- If you suspect that the product is defective or unsafe, discontinue use immediately.
- Report any accidents or unsafe conditions to the appropriate authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from improper installation or use.
- Risk of damage to the rifle or stock if the ferrule is overtightened.

### • Avoiding Hazards:

- Always follow the installation instructions carefully to avoid improper fitting.
- Do not exceed the recommended torque specifications when tightening screws.
- Ensure that the ferrule is compatible with your specific M98 action or any other rifle action using .250" diameter rear stock screws.
- If shortening the ferrule for front screw application, ensure that it is cut evenly and does not compromise structural integrity.

### • Age Specific Warnings:

- This product is not intended for use by children.
- Ensure that only qualified adults handle the installation and adjustment of the ferrule.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including screwdrivers and measuring instruments.
- Ensure the working area is clean and free of distractions.

### 2. Installation Steps:

- Remove the existing stock screws and any associated hardware from the rifle.
- Check the dimensions of the stock screw holes to confirm compatibility with the MAUSER 98 Stock Ferrules.
- If necessary, shorten the ferrule to fit the front screw application by cutting it evenly.
- Insert the ferrule into the rear stock screw hole, ensuring it fits snugly.

- Align the stock and insert the stock screws through the ferrule into the rifle action.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications, avoiding overtightening.

### **3. Usage:**

- After installation, check that the stock is securely attached to the rifle and that the ferrule is functioning correctly.
- Regularly inspect the ferrule and screws for tightness and wear, especially before each use.

## **Disposal Instructions**

- Dispose of the MAUSER 98 Stock Ferrules responsibly, following local regulations for metal recycling.
- Do not dispose of the product in household waste. Check with local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAUSER 98 Stock Ferrules, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your MAUSER 98 Stock Ferrules. Thank you for your attention to safety.
