# BERETTA GRIP BUSHING STAKER Safety Instruction Guide

## Introduction

Thank you for choosing the BERETTA GRIP BUSHING STAKER. This tool is designed to fit inside the grip frame of universal handguns, allowing for secure grip bushing staking without risking damage to the frame. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- Follow all local regulations regarding the use and disposal of tools and equipment.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the tool.
- Do not use the tool if it is damaged or malfunctioning.
- Avoid working in wet or damp conditions to prevent slips and falls.
- Ensure that the work area is clean and free of clutter to minimize risks.
- Maintain a firm grip on the tool at all times during use.
- Use the tool only in a wellventilated area to avoid inhaling any harmful fumes.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and safe to handle.
- Gather all necessary tools and materials before beginning.

### 2. Installation:

- Insert the BERETTA GRIP BUSHING STAKER into the grip frame of the handgun.
- Align the tool with the grip bushing to ensure proper staking.

### 3. Usage:

- Apply even pressure to the handle while staking the grip bushing.
- Do not force the tool beyond its intended use, as this may cause damage to the tool or firearm.
- After staking, carefully remove the tool from the grip frame.

### 4. PostUse:

- Clean the tool after each use to maintain its longevity.
- Store the tool in a safe and dry place when not in use.

## Disposal Instructions

- Dispose of the tool according to local regulations for hazardous materials.

- If the tool is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the tool in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the BERETTA GRIP BUSHING STAKER, please refer to the manufacturer's contact points or your point of purchase.

Thank you for your attention to these safety instructions. Your safety is our priority.
