# Safety Instruction Guide for LONG 648 & 840 SCREWS BROWNELLS 840 X 3/4" TORX FILLISTER HEAD 12 PACK

## Introduction

Thank you for choosing the LONG 648 & 840 SCREWS BROWNELLS 840 X 3/4" TORX FILLISTER HEAD 12 PACK. This product is designed to help you customize and fit screws for various mounting bases. To ensure your safety and the proper use of these screws, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the screws are used only for their intended purpose.
- Keep screws out of reach of children to prevent accidental ingestion or injury.
- Regularly inspect screws for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling screws.
- Avoid using screws that are damaged, rusted, or otherwise compromised.
- Do not exceed the recommended torque specifications when installing screws to prevent stripping or breakage.
- Ensure that the surface you are working on is stable and secure to avoid accidents.
- Be cautious when using power tools for installation to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a screwdriver compatible with the Torx head.
- Ensure that the work area is clean and welllit.

### 2. Choosing the Right Screw:

- Select the appropriate screw type based on your specific application (e.g., Fillister, Oval Head, or Torx).
- Refer to the product specifications to determine the correct size and type.

### 3. Installation Steps:

- Align the screw with the mounting hole.
- Insert the screw into the hole and handtighten it to ensure proper alignment.
- Use the screwdriver to tighten the screw to the recommended torque, ensuring it is secure but not overtightened.

### 4. PostInstallation Check:

- Inspect the installation to ensure that all screws are securely fastened.
- Check for any signs of misalignment or damage.

## **Disposal Instructions**

- Dispose of any unused or damaged screws in accordance with local regulations.
- Do not dispose of screws in regular household waste if they are considered hazardous.
- Recycle where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of this product, please consult the product packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can help ensure a safe and effective experience with the LONG 648 & 840 SCREWS BROWNELLS 840 X 3/4" TORX FILLISTER HEAD 12 PACK. Thank you for your attention to safety!
