# LONG 648 & 840 SCREWS 840 X 3/4" TORX WEAVER OVAL HEAD 12 PACK Safety Instructions

## Introduction

Thank you for choosing the LONG 648 & 840 SCREWS 840 X 3/4" TORX WEAVER OVAL HEAD 12 PACK. This guide provides essential safety instructions to ensure the safe use and handling of these screws. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the screws are used only for their intended purpose.
- Keep screws out of reach of children and pets.
- Inspect screws for any damage before use.
- Use appropriate personal protective equipment (PPE) such as gloves and safety goggles while handling screws.
- Follow all local regulations regarding the use and disposal of metal screws.

## Specific Safety Precautions for Use

- Do not exceed the recommended load capacity for the screws.
- Avoid using screws in environments that are not compatible with steel, such as highly corrosive conditions.
- Ensure that the surface where the screws are being installed is stable and secure.
- Be cautious of sharp edges when handling screws to prevent cuts or injuries.
- Use the correct tool for installation to avoid stripping the screw head or damaging the material.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a compatible screwdriver or drill.
- Ensure the work area is clean and welllit.

### 2. Choosing the Right Screw:

- Select the appropriate screw type for your application (Fillister or Oval Head).
- Refer to the specifications to ensure compatibility with your project.

### 3. Installation Steps:

- Mark the location where the screw will be installed.
- Predrill a hole if necessary, based on the material being used.
- Align the screw with the hole and insert it using the appropriate tool.
- Tighten the screw until it is secure but do not overtighten, as this may damage the material.

### 4. PostInstallation:

- Inspect the installation to ensure that the screw is properly seated.
- Clean up any debris or sharp objects from the work area.

## **Disposal Instructions**

- Dispose of unused or damaged screws in accordance with local waste disposal regulations.
- Recycle screws if possible. Check with local recycling facilities for guidelines on metal recycling.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please contact the manufacturer. Ensure you have the product details on hand for reference.

By following these safety instructions, you can ensure a safe and effective experience with your LONG 648 & 840 SCREWS 840 X 3/4" TORX WEAVER OVAL HEAD 12 PACK. Thank you for your attention to safety.
