## **240 TORX Screws To Fit Popular Rings & Bases; Includes T-10 & T-15 Heads**

A TORX head lets you set a screw down tight without the bit slipping and damaging the screw slot. They give your work a clean, finished appearance. We've included T-10 and T-15 TORX sizes for use in different applications. T-10 gives you plenty of additional wall thickness where the head joins the shank; T-15 has a large socket that accepts the same driver supplied with many popular brands of rings and bases. You get an economically priced assortment of 240 screws, all made right here in the USA. 1 dozen each of 20 different screws; 11 Fillister Head and 9 Weaver Oval Head styles in 3 thread sizes and 4 lengths, all in a sturdy, compartmented box. For those special jobs we have included a hardened steel, Checker/Shortener Jig that makes grinding screws to just the right length, fast and easy. The Weaver Ring/Burris Ring alt hd screws must have the head diameter reduced to fit the Burris rings.

## **T10 WEAVER OVAL SCREW 840 X 19/32 12 PACK**

### **Safety Instructions**

#### **Introduction**

Thank you for choosing the TORX HEAD SCOPE RING & BASE SCREW KIT. This product is designed to provide a reliable solution for securing scope rings and bases. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

#### **General Safety Guidelines**

- **Product Safety:** This product is designed for safe use in securing scope rings and bases. It is important to follow all instructions to avoid potential hazards.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and remedies at no cost.
- **Online Shopping:** Whether purchased online or in a physical store, this product meets all safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided with the product packaging.
- **Rapid Alerts:** Stay informed about any safety updates or recalls through the EU's Safety Gate system.

#### **Specific Safety Precautions for Use**

- **Hazard Identification:**
  - Ensure that screws are not damaged before use.
  - Use the correct TORX driver size to avoid stripping the screw head.
- **Avoiding Hazards:**
  - Always wear safety goggles when working with screws to protect your eyes from possible debris.
  - Keep screws and tools out of reach of children to prevent accidental ingestion or injury.
  - Do not use screws that show signs of wear or damage.
- **Age Specific Warnings:**
  - This product is not intended for use by children. Adult supervision is required when used in environments with children present.

#### **Instructions for Installation and Usage**

##### **1. Preparation:**

- Gather all necessary tools, including the TORX wrench (T10 and T15) provided in the kit.
- Ensure the work area is clean and free from any obstructions.

##### **2. Installation Steps:**

- Select the appropriate screw size (640, 648, or 840 tpi) based on your application.
- Align the screw with the mounting hole and insert it carefully.
- Using the correct TORX wrench, turn the screw clockwise until it is snug. Do not overtighten, as this may strip the screw or damage the material being secured.
- If using the Checker/Shortener Jig, adjust the screw length as necessary before installation.

### 3. Usage Tips:

- For best results, ensure that the screw is fully seated in the mounting hole.
- Regularly check the tightness of the screws to ensure they remain secure during use.

## Disposal Instructions

- Dispose of any unused screws and packaging materials in accordance with local regulations.
- Do not dispose of screws in household waste if they are considered hazardous materials. Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the contact information included in the product packaging.

By following these safety instructions, you can ensure the safe and effective use of the TORX HEAD SCOPE RING & BASE SCREW KIT. Thank you for your attention to these important guidelines.
