

# **TORX HEAD SCOPE RING & BASE SCREW KIT - T-10 WEAVER OVAL SCREW 6-40 X 15/32 12 PACK**

[Gunsmith Tools & Supplies](#) > [Small Hardware](#) > [Metal Screws](#)

## **240 TORX Screws To Fit Popular Rings & Bases; Includes T-10 & T-15 Heads**

A TORX head lets you set a screw down tight without the bit slipping and damaging the screw slot. They give your work a clean, finished appearance. We've included T-10 and T-15 TORX sizes for use in different applications. T-10 gives you plenty of additional wall thickness where the head joins the shank; T-15 has a large socket that accepts the same driver supplied with many popular brands of rings and bases. You get an economically priced assortment of 240 screws, all made right here in the USA. 1 dozen each of 20 different screws; 11 Fillister Head and 9 Weaver Oval Head styles in 3 thread sizes and 4 lengths, all in a sturdy, compartmented box. For those special jobs we have included a hardened steel, Checker/Shortener Jig that makes grinding screws to just the right length, fast and easy. The Weaver Ring/Burris Ring alt hd screws must have the head diameter reduced to fit the Burris rings.

## **Attributes**

- Name: [T-10 WEAVER OVAL SCREW 6-40 X 15/32 12 PACK](#)

# TORX Head Scope Ring & Base Screw Kit Safety Instructions

## Introduction

Thank you for purchasing the TORX Head Scope Ring & Base Screw Kit. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. By following these instructions, you can minimize risks and enhance your experience with our screws.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the screws and tools for any damage before use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling screws and tools.

## Specific Safety Precautions for Use

- Ensure that the TORX driver used is compatible with the screw size (T10 or T15).
- Avoid overtightening screws, as this may strip the screw head or damage the material being fastened.
- Do not use screws that show signs of wear, corrosion, or damage.
- When grinding screws to the desired length, use the included Checker/Shortener Jig to ensure safety and precision.
- Store the screws and tools in a secure location to prevent accidental injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the TORX wrench and the Checker/Shortener Jig.
- Ensure you have a clean and organized workspace.

### 2. Selecting the Right Screw:

- Choose the appropriate screw size (640, 648, or 840 tpi) and length (1/4", 3/8", 1/2", or 9/16") for your application.

### 3. Using the Checker/Shortener Jig:

- Place the screw in the jig and adjust to the desired length.
- Grind the screw carefully, following the jig's guide, to achieve a clean cut.

### 4. Installation:

- Align the screw with the predrilled hole in the material.
- Use the T10 or T15 TORX wrench to insert the screw, turning clockwise until secure. Avoid overtightening.

### 5. Post-Installation Check:

- Inspect the installation to ensure screws are secure and not protruding.
- Ensure that there are no sharp edges or loose screws that could pose a hazard.

## Disposal Instructions

- Dispose of any unused or damaged screws and packaging in accordance with local regulations.
- Do not dispose of screws in regular household waste. Check for recycling options where available.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the TORX Head Scope Ring & Base Screw Kit, please refer to the EU contact point provided by the manufacturer.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your TORX Head Scope Ring & Base Screw Kit. Always prioritize safety and consult this guide whenever needed. Thank you for choosing our product!
