

TORX HEAD SCOPE RING & BASE SCREW KIT - BROWNELLS T-10 FILLISTER HEAD SCREW 6-48 X 3/8 12 PACK

[Gunsmith Tools](#) > [Small Hardware](#) > [Metal Screws](#)

240 TORX Screws To Fit Popular Rings & Bases; Includes T-10 & T-15 Heads

A TORX head lets you set a screw down tight without the bit slipping and damaging the screw slot. They give your work a clean, finished appearance. We've included T-10 and T-15 TORX sizes for use in different applications. T-10 gives you plenty of additional wall thickness where the head joins the shank; T-15 has a large socket that accepts the same driver supplied with many popular brands of rings and bases. You get an economically priced assortment of 240 screws, all made right here in the USA. 1 dozen each of 20 different screws; 11 Fillister Head and 9 Weaver Oval Head styles in 3 thread sizes and 4 lengths, all in a sturdy, compartmented box. For those special jobs we have included a hardened steel, Checker/Shortener Jig that makes grinding screws to just the right length, fast and easy. The Weaver Ring/Burris Ring alt hd screws must have the head diameter reduced to fit the Burris rings.

T-10 Refill Pak 6-48x3/8"xFH fits Redfield Base/Ring

Safety Instruction Guide for TORX HEAD SCOPE RING & BASE SCREW KIT BROWNELLS T10 FILLISTER HEAD SCREW 648 X 3/8 12 PACK

Introduction

Thank you for choosing the TORX HEAD SCOPE RING & BASE SCREW KIT. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the screws to understand how to handle and install them safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any visible damage or defects before use. Do not use damaged screws.
- Use appropriate tools and protective equipment when handling and installing screws.
- Report any unsafe products or accidents to the relevant authorities promptly.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The screws may have sharp edges that can cause cuts or injuries if handled improperly.
- Improper installation may lead to equipment failure or accidents.

- **Avoiding Hazards:**

- Always wear protective gloves when handling screws to prevent cuts.
- Use safety goggles if there is a risk of screws being projected during installation.
- Ensure that the work area is clean and free of obstructions to prevent tripping or accidents.
- Keep all screws in their designated compartmented kit box when not in use to avoid loss and misplacement.

- **AgeSpecific Warnings:**

- This product is not suitable for children under the age of 14. Adult supervision is recommended during use.

Instructions for Installation and Usage

- **Preparation:**

- Gather all necessary tools, including the T10 and T15 TORX wrenches provided in the kit.
- Ensure the work surface is stable and welllit.

- **Installation Steps:**

1. Select the appropriate screw size (640, 648, or 840 tpi) based on your equipment needs.
2. Align the screw with the mounting hole on your equipment.
3. Insert the screw into the hole and handtighten it to ensure proper alignment.
4. Use the T10 or T15 TORX wrench to securely tighten the screw. Do not overtighten, as this may

- damage the screw or the equipment.
5. Repeat the process for all screws as needed.

- **PostInstallation Check:**

- After installation, doublecheck that all screws are securely fastened.
- Inspect the installation for any signs of misalignment or instability.

Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local waste management regulations.
- Do not dispose of screws in regular household waste if they are deemed hazardous or sharp.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the safety or use of this product, please contact your local distributor or refer to the manufacturer's website for additional support resources.

Thank you for your attention to these safety instructions. Enjoy using your TORX HEAD SCOPE RING & BASE SCREW KIT safely and effectively.
