

TORX HEAD SCOPE RING & BASE SCREW KIT - BROWNELLS T-10 FILLISTER HEAD SCREW 8-40 X 3/8 12 PACK

[Gunsmith Tools](#) > [Small Hardware](#) > [Metal Screws](#)

240 TORX Screws To Fit Popular Rings & Bases; Includes T-10 & T-15 Heads

A TORX head lets you set a screw down tight without the bit slipping and damaging the screw slot. They give your work a clean, finished appearance. We've included T-10 and T-15 TORX sizes for use in different applications. T-10 gives you plenty of additional wall thickness where the head joins the shank; T-15 has a large socket that accepts the same driver supplied with many popular brands of rings and bases. You get an economically priced assortment of 240 screws, all made right here in the USA. 1 dozen each of 20 different screws; 11 Fillister Head and 9 Weaver Oval Head styles in 3 thread sizes and 4 lengths, all in a sturdy, compartmented box. For those special jobs we have included a hardened steel, Checker/Shortener Jig that makes grinding screws to just the right length, fast and easy. The Weaver Ring/Burris Ring alt hd screws must have the head diameter reduced to fit the Burris rings.

T-10 Refill Pak 8-40x3/8"xFH,Redf Ring/Base,Leup Ring alt hd

Safety Instruction Guide for TORX HEAD SCOPE RING & BASE SCREW KIT

Introduction

Thank you for purchasing the TORX HEAD SCOPE RING & BASE SCREW KIT by BROWNELLS. This guide provides essential safety instructions and usage information to ensure the safe and effective use of this product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during installation and usage.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Only use the screws and tools provided in this kit for their intended purpose.
- Do not exceed the recommended torque specifications when tightening screws to avoid stripping or damaging the material.
- Ensure that the screws are compatible with the specific application to prevent failure.
- Avoid using the product in wet or damp environments to reduce the risk of corrosion and ensure longevity.
- Follow all local regulations regarding the use and disposal of screws and related materials.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the T10 and T15 TORX wrenches included in the kit.
- Ensure that the workspace is clean and welllit.

2. Installation Steps:

- Select the appropriate screw length for your application. The available screw lengths are:
 - 1/4" (6.36mm)
 - 3/8" (9.5mm)
 - 1/2" (12.7mm)
 - 9/16" (14.28mm)
- Choose the correct screw size based on the requirements of your project. Available sizes include:
 - 640
 - 648
 - 840 tpi
- Align the screw with the predrilled hole in the mounting surface.
- Using the appropriate TORX wrench, insert the screw and tighten it securely, ensuring not to overtighten.

3. PostInstallation:

- After installation, doublecheck all screws to confirm they are secure.
- Dispose of any unused screws and packaging materials in accordance with local waste disposal regulations.

Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local regulations.
- Do not dispose of screws in regular household waste if they are considered hazardous or contain materials that require special handling.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided by the manufacturer or retailer where you purchased this product.

By following these safety instructions, you can ensure the safe and effective use of the TORX HEAD SCOPE RING & BASE SCREW KIT. Thank you for prioritizing safety in your use of this product.
