

# 12-FLUTE MUZZLE CHAMFER SET - BROWNELLS 7MM 12 FLUTE MUZZLE CHAMFER SET

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

A ready-to-use combination of twelve-flute cutter and brass pilot for touching up those minor rifle muzzle imperfections that can destroy fine accuracy. Twelve flutes cut smooth and chatter free so no stoning, lapping or touch up is required. Hardened brass pilots won't scar or damage delicate rifling. A very handy tool to take along to the range or keep in your tool box, "just in case".

# Safety Instruction Guide for 12Flute Muzzle Chamfer Set

## Introduction

Thank you for choosing the 12Flute Muzzle Chamfer Set from Brownells. This tool is designed to help you maintain the accuracy of your rifle by touching up minor muzzle imperfections. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free of distractions.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while using this tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Do not use the tool for purposes other than those specified in the product description.
- Regularly inspect the tool for any signs of wear or damage before use.
- If the tool becomes damaged, discontinue use immediately and replace it.

## Specific Safety Precautions for Use

- **Hazard Identification:** The tool can create metal shavings and debris that may pose a risk of injury. Handle with care.
- **Avoiding Injuries:**
  - Always secure the rifle in a stable position before use.
  - Avoid placing your hands near the cutting area during operation.
  - Use the tool only on cool surfaces to prevent burns.
- **Age and Audience Specific Warnings:**
  - This tool is not intended for use by individuals under the age of 18. Adult supervision is required if used by younger individuals.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Clean the muzzle area to remove any dirt or debris.

### 2. Installation:

- Attach the brass pilot to the cutter securely.
- Insert the cutter into the handle.

### 3. Usage:

- Position the tool at a 45degree angle to the muzzle.
- Gently rotate the cutter while applying light pressure to chamfer the edge.
- Check the progress frequently to avoid overcutting.
- Clean the area after use to remove metal shavings.

### 4. PostUse Care:

- Store the tool in a dry, safe place.
- Regularly clean the cutter and brass pilot to maintain performance.

## Disposal Instructions

- Dispose of any metal shavings and debris in accordance with local regulations.
- If the tool is no longer usable, dispose of it responsibly. Check with local waste management for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding the safety and use of the 12Flute Muzzle Chamfer Set, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these guidelines, you can ensure a safe and effective experience while using the 12Flute Muzzle Chamfer Set. Thank you for prioritizing safety and responsible usage.
