# Safety Instruction Guide for BRASS PILOTS .32 CYLINDER BRASS PILOT

## Introduction

Thank you for choosing the BRASS PILOTS .32 CYLINDER BRASS PILOT. This guide provides essential safety instructions to ensure safe and effective use of this product. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any visible damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product for purposes other than those intended.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the product.
- Ensure that the work area is wellventilated and free from hazards.
- Do not exceed the recommended specifications for the product, including the caliber.
- Avoid using the product in wet or damp conditions to prevent slipping and electrical hazards.
- Keep hands and other body parts clear of moving parts during operation.
- If you experience any discomfort or adverse reaction while using the product, stop use immediately and seek medical advice.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and PPE before starting.
- Ensure that the work surface is stable and secure.

### 2. Installation:

- Insert the brass pilot into the appropriate tool or machine as per the manufacturer's specifications.
- Ensure that the pilot is securely fastened and properly aligned before use.

### 3. Usage:

- Follow the manufacturer's guidelines for operating the tool or machine with the brass pilot.
- Monitor the condition of the pilot during use; replace if signs of wear or damage are evident.
- After use, clean the brass pilot to remove any debris or residue.

### 4. PostUsage Care:

- Store the brass pilot in a dry and safe location, away from children and pets.
- Regularly inspect the pilot for wear and replace it as necessary to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- Do not dispose of the product in household waste. Instead, contact your local waste disposal service for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns related to the BRASS PILOTS .32 CYLINDER BRASS PILOT, please consult the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
