# Safety Instruction Guide for BRASS PILOTS BROWNELLS .41 CYLINDER BRASS PILOT

## Introduction

Thank you for choosing the BRASS PILOTS BROWNELLS .41 CYLINDER BRASS PILOT. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the product to avoid any potential hazards.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the product if it appears damaged or malfunctioning.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about any product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the pilot is compatible with the firearm you are using.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the product.
- Use the product in a wellventilated area to avoid inhalation of any dust or debris.
- Do not exceed the recommended specifications for use, including caliber and material.
- Avoid using the product for purposes other than those intended by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Select the appropriate pilot for your firearm model.
- Carefully insert the brass pilot into the bore of the firearm.
- Ensure that the pilot is properly seated and centered.

### 2. Usage:

- Begin chamfering or facing operations only when you are confident that the pilot is secure.
- Maintain a steady hand and consistent pressure during operation.
- Periodically check the pilot and cutter for wear and tear during use.
- After completing the operation, carefully remove the pilot and clean any debris from the bore.

### 3. PostUsage Care:

- Clean the pilot after each use to prevent corrosion and ensure longevity.
- Store the pilot in a dry, safe place away from children and pets.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling it if facilities are available.
- Do not dispose of the product in household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRASS PILOTS BROWNELLS .41 CYLINDER BRASS PILOT, please refer to the manufacturer's contact information provided with the product packaging. Ensure that you have the product details ready for assistance.

By following these guidelines, you can help ensure your safety and the proper functioning of the BRASS PILOTS BROWNELLS .41 CYLINDER BRASS PILOT. Thank you for your attention to these important safety instructions.
