Safety Instruction Guide for BRASS PILOTS .45 CYLINDER BRASS PILOT

Introduction

Thank you for choosing the BRASS PILOTS .45 CYLINDER BRASS PILOT. This product is designed to assist in the accurate centering of facing and chamfering cutters in the bore. It is made from highquality brass, ensuring durability and longevity. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle the product with care to prevent injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Use the product only for its intended purpose as specified in this guide.
- If you encounter any issues or have safety concerns, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the product.
- Ensure that the workspace is clean and free from clutter to avoid accidents.
- Do not use the product if it is damaged or worn out.
- Avoid using excessive force when operating the product to prevent breakage or injury.
- Follow the manufacturer's instructions carefully to ensure proper use and safety.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and safety equipment before starting.
- Ensure you are in a wellventilated area.

2. Installation

- Insert the brass pilot into the appropriate tool as per the manufacturer's specifications.
- Ensure the pilot is securely fitted to avoid any accidents during use.

3. Usage

- Position the cutter and brass pilot correctly in the bore.
- Operate the tool according to the manufacturer's guidelines, ensuring that the pilot remains centered.
- Monitor the operation closely for any signs of malfunction or wear.

4. PostUse Care

- After use, clean the brass pilot to remove any debris or contaminants.
- Store the product in a safe and dry location, away from children.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in general waste if it is damaged or no longer usable.
- Consider recycling the brass material if applicable.

Contact Information for Further Support

For any questions or concerns regarding the BRASS PILOTS .45 CYLINDER BRASS PILOT, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the BRASS PILOTS .45 CYLINDER BRASS PILOT.
