Safety Instruction Guide for Rifle Master Chamfering & Facing Combo Set with Brass Pilots

Introduction

Thank you for choosing the Rifle Master Chamfering & Facing Combo Set with Brass Pilots. This product is designed to assist you in the accurate chamfering and facing of rifle cases. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always read and follow the manufacturer's instructions before using the product.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the tool.
- Do not use the product for any purpose other than its intended use.
- Regularly inspect the tool for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the chamfering tool is securely attached to the drill or power tool before use.
- Do not exceed the recommended speed settings for the tool.
- Always hold the workpiece securely during operation to prevent slipping.
- Avoid wearing loose clothing or jewelry that could become entangled in the tool.
- Never place your hands near the cutting edges while the tool is in operation.
- If the tool becomes clogged or stuck, turn off the power and unplug the tool before attempting to clear it.

Instructions for Installation and Usage

1. Installation

- Select the appropriate brass pilot based on the caliber of the rifle case you are working with.
- Attach the brass pilot securely to the chamfering tool according to the manufacturer's instructions.
- Ensure that all components are tightened and secure before proceeding.

2. Usage

- Insert the rifle case into the chamfering tool and ensure it is held firmly in place.
- Turn on the power tool and allow it to reach the recommended speed before beginning work.
- Gently guide the rifle case into the cutting edge of the tool, applying light pressure.
- After chamfering or facing, turn off the tool and remove the rifle case carefully.
- Clean the tool after each use to maintain its performance and longevity.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling options for metal and plastic components.
- Ensure that the product is completely cleaned and free of any residues before disposal.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Rifle Master Chamfering & Facing Combo Set with Brass Pilots, please refer to the manufacturer's contact information provided with the product packaging.
