Safety Instruction Guide for BRASS PILOTS .22 RF MUZZLE (.211") BRASS PILOT

Introduction

Thank you for choosing the BRASS PILOTS .22 RF MUZZLE (.211") BRASS PILOT. This product is designed to enhance your chamfering and facing operations safely and effectively. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when handling this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the BRASS PILOTS in any manner other than as intended.
- Ensure that the pilot is properly secured before use to prevent it from becoming loose during operation.
- Do not exceed the recommended specifications for use, including caliber limits.
- Avoid contact with moving parts while in operation to prevent injury.
- Use the product in a wellventilated area to avoid inhalation of any metal particles.
- Store the product in a safe, dry place when not in use, away from moisture and extreme temperatures.

Instructions for Installation and Usage

1. Installation:

- Ensure the work area is clean and free of obstructions.
- Select the appropriate pilot size for your application (e.g., .22 Caliber).
- Securely attach the brass pilot to the chamfering tool following the manufacturer's instructions.
- Check that the pilot is firmly in place before proceeding.

2. Usage:

- Position the workpiece securely in a vice or stable surface.
- Align the brass pilot with the bore of the workpiece.
- Apply steady pressure while operating the chamfering tool, ensuring the pilot remains centered.
- Do not force the tool; let the pilot do the work to avoid damage to the workpiece or the tool.
- After use, clean the brass pilot to remove any debris or residue.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in household waste.
- Consider recycling options for metal materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the BRASS PILOTS .22 RF MUZZLE (.211") BRASS PILOT, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for using our product responsibly and safely.
