Safety Instruction Guide for BRASS PILOTS .22 RF MUZZLE (.213") BRASS PILOT

Introduction

Thank you for choosing the BRASS PILOTS .22 RF MUZZLE (.213") BRASS PILOT. This guide provides important safety information to ensure the safe use and handling of this product. Please read this guide carefully before use to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the product with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If you notice any defects, discontinue use immediately and seek assistance.
- Stay informed about recalls and safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the product.
- Ensure that the workspace is clean and free from any obstructions.
- Do not use the product near flammable materials or in hazardous environments.
- Follow all instructions for installation and usage to avoid injury or damage.
- Never exceed the specified caliber limits when using the product.
- Avoid using the product if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Installation:

- Ensure the product is compatible with your firearm.
- Before installation, ensure the firearm is unloaded and pointed in a safe direction.
- Insert the brass pilot into the designated area of your firearm, ensuring a snug fit.
- Confirm that the pilot is securely in place before proceeding.

2. Usage:

- Use the brass pilot with appropriate facing and chamfering cutters.
- Maintain a firm grip on the tool during use to prevent slips.
- Apply consistent pressure while using the tool to achieve desired results.
- After use, clean the product to remove any debris or residue.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the EU contact point or the

manufacturer's website for further assistance.

By following these safety instructions, you can help ensure a safe and effective experience with the BRASS PILOTS .22 RF MUZZLE (.213") BRASS PILOT. Thank you for your attention to these important safety guidelines.
