## **Safety Instructions**

### **Introduction**

Thank you for choosing the BRASS PILOTS 6MM/.243 MUZZLE BRASS PILOT. This product is designed to enhance your precision in bore facing and chamfering. To ensure your safety and the longevity of this tool, please read and follow these safety instructions carefully.

### **General Safety Guidelines**

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this tool.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of wear or damage before each use.
- Do not use the tool for purposes other than those intended by the manufacturer.
- Report any unsafe products or incidents to the relevant authorities.

### **Specific Safety Precautions for Use**

- The hardened steel pilot is designed to keep cutters properly centered. Ensure it is securely attached before use.
- Avoid contact with moving parts during operation to prevent injury.
- Do not exceed the recommended operating speeds as specified in the product specifications.
- Use the tool in a wellventilated area to minimize exposure to any harmful dust or debris.
- If you experience any discomfort or unusual sensations while using the tool, stop immediately and consult a professional.

### **Instructions for Installation and Usage**

#### **1. Installation**

- Ensure the tool is clean and free from debris before installation.
- Securely attach the brass pilot to the chamfering tool according to the manufacturer's instructions.
- Confirm that the pilot is properly aligned and tightly fastened.

#### **2. Usage**

- Begin by selecting the appropriate caliber for your application (e.g., .243/6 mm).
- Position the tool at the desired angle and depth for facing or chamfering.
- Apply even pressure while operating the tool to achieve a consistent finish.
- After use, clean the tool thoroughly to remove any brass shavings or debris.

### **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Follow guidelines for proper disposal of metal tools.
- If the product is damaged or no longer usable, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your BRASS PILOTS 6MM/.243 MUZZLE BRASS PILOT. Thank you for prioritizing safety in your use of this tool.
